  - **Compatible Devices:** Various Samsung Galaxy models, Google Pixel devices, Motorola phones, Sony Xperia, Xiaomi, Huawei, and more
- **NFC Scan Location**
  - Refer to the diagram provided in the user manual to locate the NFC scan area on your mobile device.
- **App Installation**
 - Before installing a new OS version on your phone or using the App with a new phone, it is recommended to check the compatibility guide provided.
- **Important Note**
  - Beta OS versions are not supported. Jailbroken and rooted devices are also not compatible with the App.

MOBILE DEVICE & OS COMPATIBILITY

Popular mobile devices and operating systems (OS) are regularly tested to evaluate NFC scan performance, Bluetooth connectivity, and app compatibility with Sensors. Refer to the diagram for the NFC scan location on your mobile device. We recommend checking this guide before installing a new OS version on your phone or before using the App with a new phone.

- This table will be updated as other devices and operating systems are evaluated.
- The contents of this guide are the most up to date and may be different from what is displayed within the FreeStyle Libre 3 app. Contact Customer Service for more information on devices and operating systems other than those listed.
- Beta OS versions are not evaluated or supported. The App cannot be used with jailbroken and rooted devices.
- Please check that your mobile device and OS continues to be supported by the manufacturer. Use of an unsupported mobile device or OS version may affect App security and functionality.
- You are responsible for the risks associated with the use of the App on an unsupported mobile device or OS version.

FAQs

- **Q: Can I use the App with any mobile device?**
  - **A:** The App is only compatible with the listed devices and operating systems. Unsupported devices may compromise security and functionality.

- **Q: How do I find the NFC scan location on my phone?**
  - **A:** Refer to the diagram in the user manual or contact Customer Service for assistance.
