About ONTAP S3 Licenses

Fujitsu Storage
ETERNUS AX series All-Flash Arrays,
ETERNUS HX series Hybrid Arrays

ONTAP S3 is incorporated in ONTAP 9.8 and later. The following operations are required prior to the use of ONTAP S3.

- Obtaining a license
- Registering a license

Obtaining a License

To obtain the license key used to activate ONTAP S3, send an email including the serial number of the storage system to the
following email address: **fj-et-fabricpool@dl.jp.fujitsu.com**

Registering a License

Register the license via ONTAP System Manager.

1. Log in to ONTAP System Manager and select the "Configuration" tab.
2. Navigate to the "Licenses" page under "CLUSTER".
3. Click "+Add" from the menu.

4. Enter the downloaded license key and click "Add".

   For ONTAP 9.9.1 or later, (1) select the "Use 28-character legacy keys" checkbox and then (2) enter the license

   key.

ONTAP 9.7 / ONTAP 9.8

ONTAP 9.9.1 or later
