Contents

FurBabyFeeder Sphere Automatic Microchip Pet Feeder
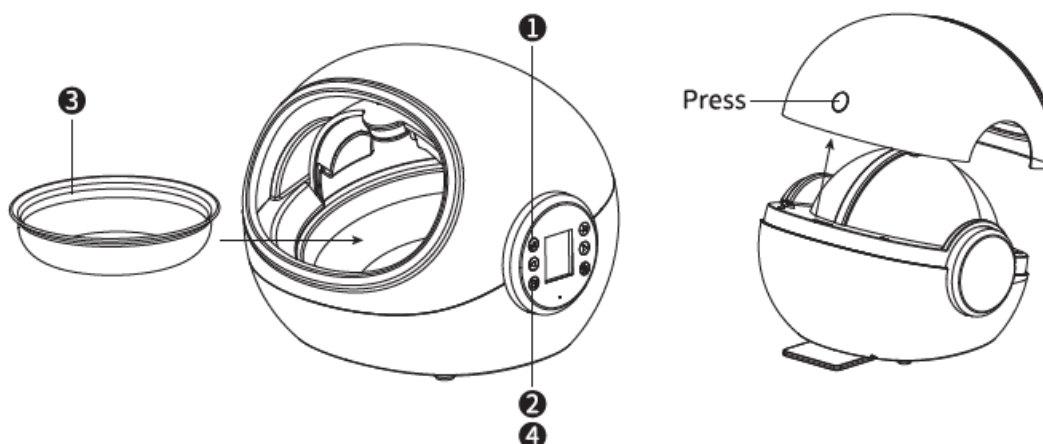

Operating Instructions

Take out/Put in food bowl

1. Press and hold the unlock button for 2 seconds.
2. Press and hold the open/close button for 1 second.
3. After taking out the food bowl to fill it with food or cleaning it, put it back again.
4. Press and hold the open/close button again for 1 second.
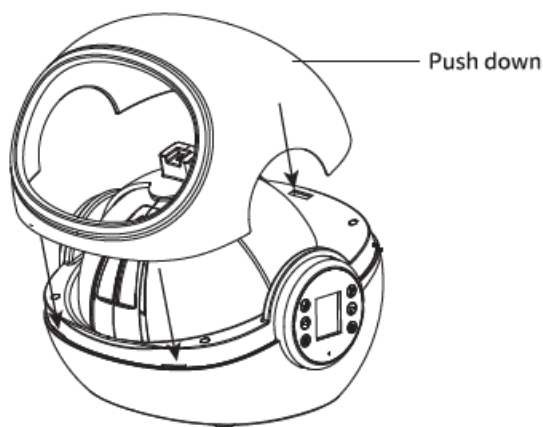

Take off the cover
Press the upper cover unlock button, wait until the upper cover pops open, and then separate it from the feeder body.

In order not to affect the normal operation of the feeder, do not add the food beyond the mouth of the bowl.
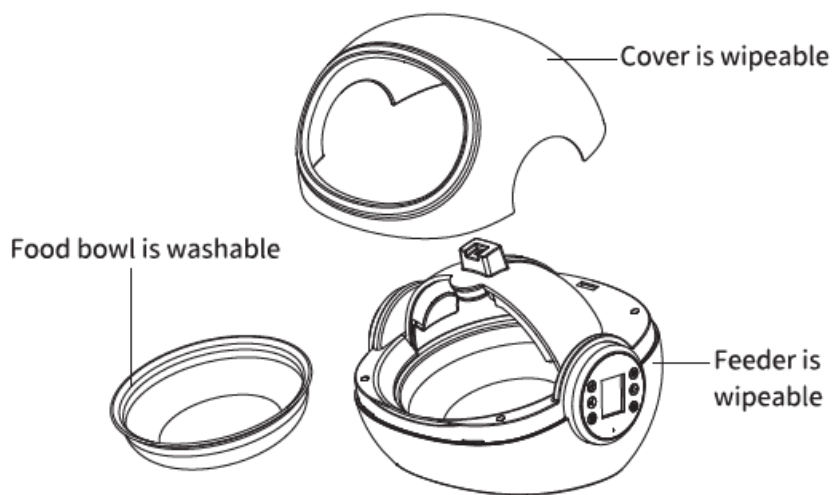

Cover installation

Align the cover with the feeder, press down until you hear the cover click into place.
Please be sure to turn off the power while taking off cover and install cover.

Cleaning &Maintenance

Make sure to turn off the power and remove the battery while cleaning & maintenance.

Suggested Training Mode
If your pet is hesitant or scared of the feeder, we suggest you open the door and unpower the feeder to allow the pet to get comfortable during the feeding process. After a few meals you can power the feeder back on to enable "only allowed pets to eat". Please note this process will allow other pets to eat while training is in process.

Troubleshooting

Button is not working	Make sure the button is unlocked.
Unable to open door by RFID tag	Make sure the power cable is connected properly and the power switch turns on.
	Make sure whether it is over the sensing range.
	Make sure whether the tag has been written successfully.
	Make sure there is no large area of metal around the feeder.
Unable to open and close the door manually	Make sure there are no objects blocking the revolving door.
	Restart the feeder.

NOTES

- Please use the power adapter that comes with the machine.
- It is FORBIDDEN to place the whole feeder into dishwasher or disinfection cabinet.
- It is FORBIDDEN to use microwave ovens to heat the bow. it is FORBIDDEN to use steel balls to clean the bowl.
- The water content should not exceed half a bowl while adding wet food.
- Please do not drop or hit the bowl. If the food bowl is cracked or damaged due to falling or impact, please stop using it.

* Warranty

The Pet Feeder includes a 1-Year Warranty valid in the USA from the date of purchase, provided you have proof of the purchase date. This warranty covers faults due to defective materials, components, or manufacturing. It does not cover defects arising from normal wear and tear, misuse, neglect, or intentional damage.
