Garden Lights

Garden Lights 6319451 WiFi Zigbee Gateway Smart

Product Information

Specifications:

- **Product Name:** GATEWAY SMART
- **Model Number:** 6319451
- **Dimensions:** 64 x 64 x 15 mm
- **Features:** Contains cable and USB Charger
- **IP Rating:** IP20
- **Power Consumption:** Max. 5W

Product Usage Instructions

Installation:

1. Refer to the provided SMART page for installation guidance specific to your Smart products.
2. Ensure the product meets safety requirements and standards before installation.
3. Connect the product using the provided cable and USB charger.

Safety Information:

Follow these safety guidelines when using the product:

- Do not dispose of electrical equipment in household waste; recycle it properly.
- Sort the packaging and product separately for recycling purposes.
- For any queries or complaints, contact info@garden-lights.com.

Compliance and Recycling:

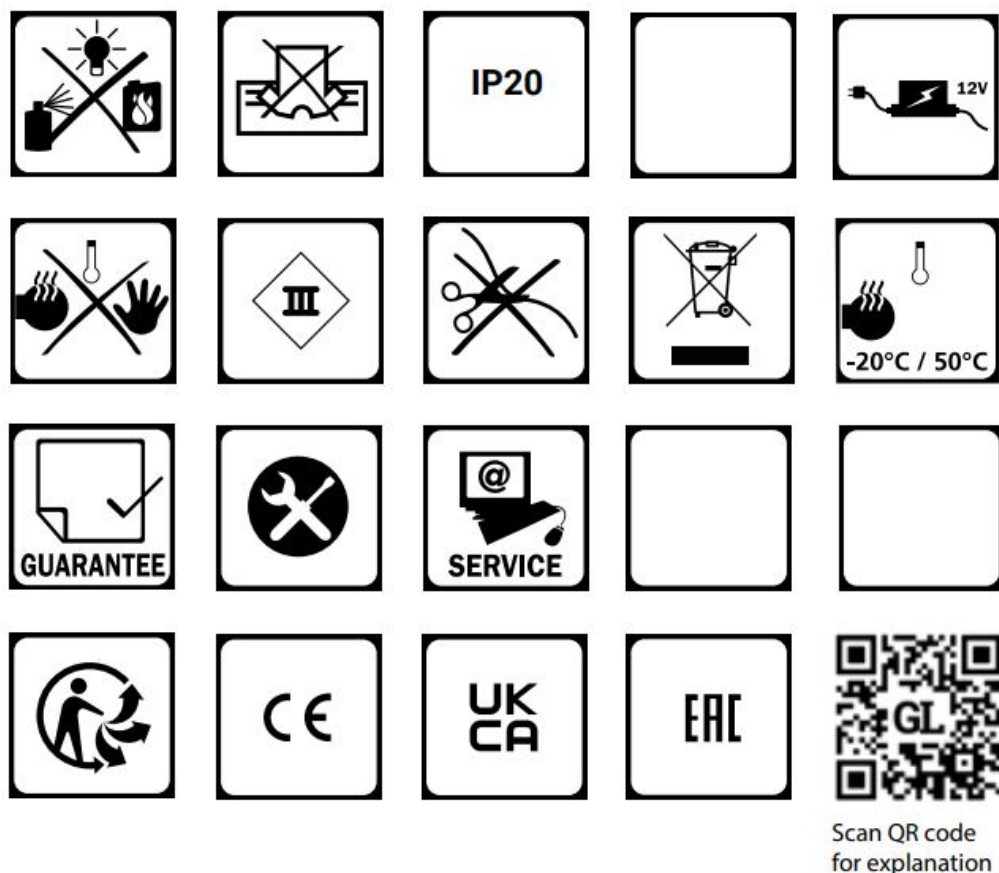

Ensure compliance with EU standards for health, safety, and environmental protection. For recycling information, contact a municipal waste processing company or the dealer.

Declaration of Conformity:

Techmar B.V. declares compliance with Radio Equipment Regulations. The full UK declaration of conformity is available at www.garden-lights.com/DoC.

Make it SMART!

For questions on how to install your Smart products, visit our SMART page:

for explanation

For questions about parts, service, any complaints or other matters, you can contact us at any time.

E-mail: info@garden-lights.com.

NOTE

- This product meets the EU standards for health, safety and environmental protection.
- The product meets the requirements of the applicable UK guidelines.
- This product answers to the safety requirements specified in the regulations of the EAEU.
- The packaging and product must be sorted separately for recycling.
- Discarded electrical equipment must not be put in the household waste. If possible, take it to a recycling company. For details of recycling, contact a municipal waste processing company or your dealer.

INSTALLATION OF THE LIGHTS

- Install the products in the desired position and lay the cables so they can be comfortably connected to the transformer or main cable.

- If products are provided with a drain hole for water, this hole must be pointing downwards.
- Use non-corrosive fixing materials (supplied as standard) if you want to bolt the products down.
- Connect the lights to the main cable by using the connector as shown in figure on page 5.
- Consult the manual of your transformer for more information.

SAFETY

- Always fit this product so that it can still be accessed for servicing or maintenance. This product must not be permanently embedded or bricked in.
- Turn off the system by pulling the plug of the transformer from the socket for maintenance.
- Regularly clean the product with a soft, clean cloth. Avoid abrasives that can damage the surface.
- Clean products with stainless steel parts with a stainless steel cleaning agent once per six months.
- Do not use aggressive chemical cleaning agents when cleaning the product. This can cause irreparable damage.
- Protection class III: this product may only be connected to safety extra-low voltage up to a maximum of 12 Volt.
- This product is suitable for outside temperatures of: – 20 to 50°C.
- Do not use this product in areas where combustible gases, fumes or liquids may be stored.

Simplified Declaration of Conformity

- Hereby, Techmar declares that the Radio Equipment type (SMART) Garden Lighting is in the compliance with the Radio Equipment Regulations 2017 (S.I. 2017/1206).
- The full text of the UK declaration of conformity is available at the following internet adress: www.garden-lights.com/DoC

Frequently Asked Questions (FAQ)

• **Can I install the product myself?**

Yes, the product is designed for easy DIY installation. Refer to the provided SMART page for detailed instructions.

• **What should I do with discarded electrical equipment?**

Do not dispose of it in household waste. Take it to a recycling company or contact your dealer for proper disposal information.

• **How do I contact customer service for this product?**

For any questions about parts, service, complaints, or other matters, contact info@garden-lights.com at any time.
