GARDENA 19040 Smart Sensor

Specifications

- Product Name: Smart Sensor Art. 19040
- Manufacturer: GARDENA Manufacturing GmbH
- Model Numbers: 19000, 19005, 19030, 19031, 19032, 19040, 19080, 19095
- Battery Type: LR6 AA
- Year of Manufacture: 2014

Product Information:

Before operating the system, please read the operator's manual for the specific products provided. The manual for the GARDENA product can be accessed at www.gardena.com.

Product Usage Instructions:**Installation:**

Follow the installation guide provided in the manual to set up the Smart Sensor Art. 19040.

Connecting to App:

Download the GARDENA smart App from the App Store (Apple) or Google Play, depending on your device.

Setting Up:

Open the app and follow the on-screen instructions to connect the Smart Sensor to your smartphone or tablet.

Usage:

Place the Smart Sensor in the desired location to monitor relevant data and receive notifications on your device.

Maintenance:

Refer to the manual for maintenance tips and how to ensure proper functioning of the Smart Sensor.

Intended use:

The GARDENA smart Sensor is intended to control the smart system taking into account soil moisture and temperature in private domestic gardens, allotments and greenhouses. The GARDENA smart Sensor can only be used together with the GARDENA smart Gateway.

SAFETY**IMPORTANT!**

- Read the operator's manual carefully before use.
- Ensure that the product is only used within the stated temperature range – 1 °C to +50 °C.
- Do not use damaged products. Ensure that all parts are correctly disposed of with immediate effect.
- Keep damaged parts out of the reach of children.
- Regularly examine the product for damage.
- There is a risk of tripping. Position the sensor in such a manner that it can be seen at all times.
- The product will become hot when exposed to sunlight. Touching the product in such a condition can result in slight burns if touched.

Batteries:

- DANGER! Replace flat batteries. If the batteries are completely flat, battery acid could leak.

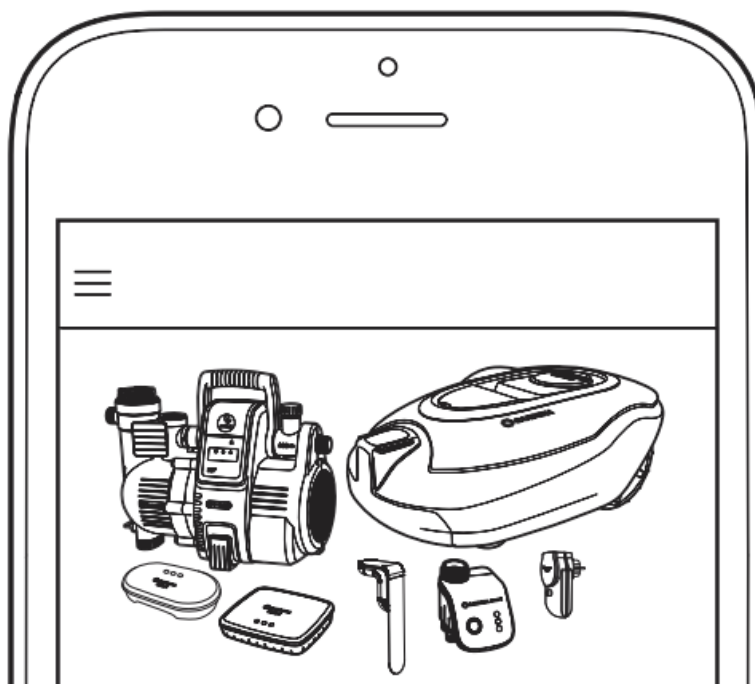

- Do not use re-chargeable batteries.
- Regularly examine the batteries for damage.
- Do not use damaged batteries. Ensure that they are correctly disposed of.
- Keep damaged batteries out of the reach of children.

The free GARDENA smart App is available on the App Store (Apple) and on Google Play

Your smart device can now be included.

Follow the instructions inside the app.

IMPORTANT PRODUCT INFORMATION

- Please read the operator's manual of the products supplied prior to putting the system into operation.
- The manual for the GARDENA product can be found on the appropriate product page at: www.gardena.com
