## **T 100 Turbo-Driven Pop-Up Sprinkler**

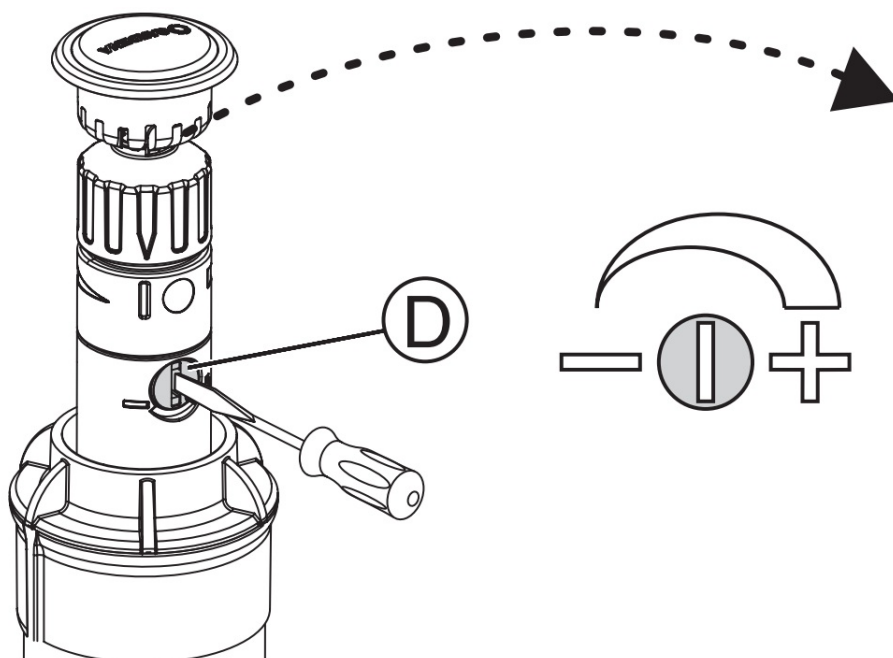

**ATTENTION !** Before installing the sprinklers, ascertain the maximum number of sprinklers per irrigation row (planning assistance can be found at your retail store or at [www.gardena.com](http://www.gardena.com)).

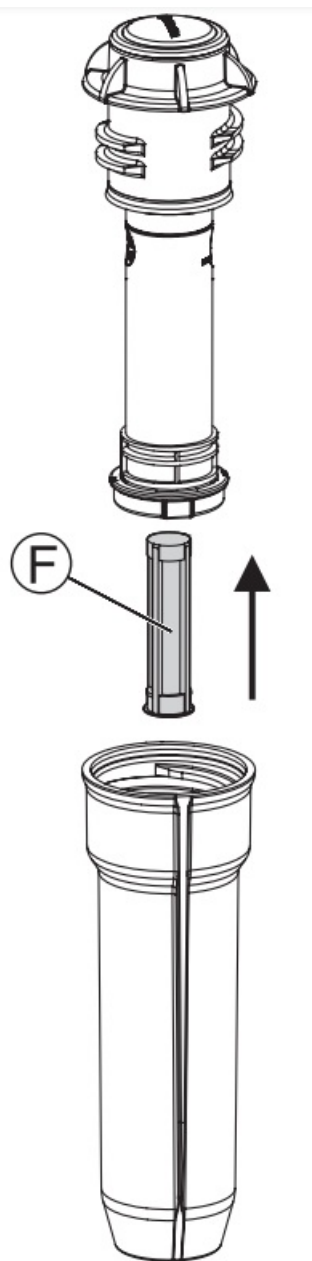

Install Sprinkler with the surface of the ground (to prevent damaging the sprinkler when mowing your lawn).

1. Remove sprinkler head by hand.
2. Select left sector border L using gray casing and right sector border R using red shaft.

1. Turn on water supply.
2. Select D range.

Unscrew sprinkler head and clean F filter.

### **Warranty:**

GARDENA warranty for this product 2 years (Art. 8201) / 5 years (Art. 8202) (from date of purchase). This guarantee covers all serious defects of the unit that can be proved to be material or manufacturing faults. Under warranty we will either replace the unit or repair it free of charge if the following conditions apply :

- The unit must have been handled properly and in keeping with the requirements of the operating instructions.
- Neither the purchaser nor a non-authorised third party have attempted to repair the unit.

The wear parts, washer and filter, are excluded from this warranty. This manufacturer's guarantee does not affect the user's existing warranty claims against the dealer / seller. If a fault occurs with your Turbo-driven Pop-up Sprinkler, please return the faulty unit together with the receipt and a description of the fault, with postage paid to the address of the Service Centre at the back of these operating instructions.

### **Product Liability**

We expressly point out that, in accordance with the product liability law, we are not liable for any damage caused by our units if it is due to improper repair or if parts exchanged are not original GARDENA parts or parts approved by us, and, if the repairs were not carried out by a GARDENA Service Centre or an authorised specialist.

The same applies to spare parts and accessories.
