GE APPLIANCES GGS500PV Slide In Front Control Gas Range

Product Information

The GGS500PV range comes with features and benefits designed to enhance your cooking experience.

Specifications

- Electrical Rating: 120V, 60Hz, 13A
- Breaker Size: 15A
- Anti-Tip device included

Features and Benefits

- **Express Preheat:** Get food on the table quicker with a fast preheat oven that preheats in just 7 minutes.
- **Fit Guarantee:** Replace your old 30 free-standing range with a new 30 slide-in model. GE slide-in ranges are guaranteed for an exact fit or GE Appliances will pay up to \$300 toward modifications.

Product Installation Instructions

Before installing the GGS500PV range, ensure you follow these installation guidelines:

1. Provide adequate clearances between the range and adjacent combustible surfaces.
2. Maintain minimum clearance between burners and bottom of cabinets as specified.
3. For island installation, maintain specific distances from the cutout to countertop edges.
4. Install the required rear trim to the back of the range using the provided screws.

Product Usage Instructions

1. Ensure proper installation as per the installation instructions packed with the product.
2. Preheat the oven by selecting the bake mode and setting it to 350 degrees.
3. Wait for the oven to preheat – a beep will indicate when it's ready.
4. Use the oven with one standard rack for optimal results.

Frequently Asked Questions (FAQ)

- **Q: What should I do if the oven does not preheat in 7 minutes as expected?**

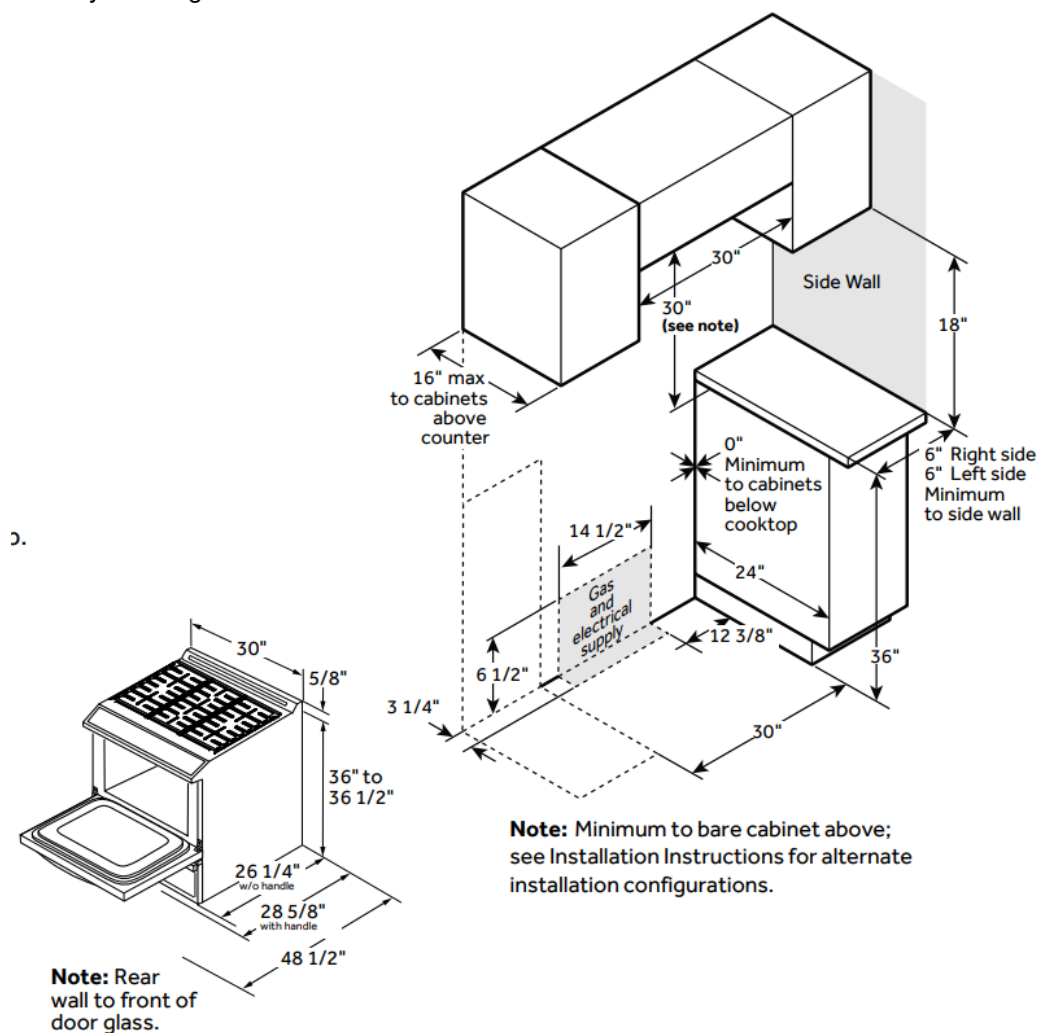

A: If the preheating time exceeds 7 minutes, check the power supply and ensure the oven settings are correct.

- **Q: Can I install a microwave oven over the cooktop of this range?**

A: Yes, you can install a listed microwave oven or cooking appliance over the cooktop following the installation instructions provided with that appliance.

Dimensions and Installation Information

Provide adequate clearances between the range and adjacent combustible surfaces. These dimensions must be met for safe use of your range.

- Allow 30" (76.2 cm) minimum clearance between burners and bottom of unprotected wood or metal cabinet, or allow a 24" (61 cm) minimum when bottom of wood or metal cabinet is protected by no less than 1/4" (6.4 mm) thick flame-retardant millboard covered with no less than No. 28 MSG sheet metal (.015" [.38 mm] thick), .015"

(.38 mm) thick stainless steel, .025" (0.64 mm) aluminum or .020" (0.5 mm) copper.

- Installation of a listed microwave oven or cooking appliance over the cooktop shall conform to the installation instructions packed with that appliance.
- For island installation, maintain 2-1/2" minimum from cutout to back edge of the countertop and 3" minimum from cutout to side edges of countertop.
- **Note:** Door handle protrudes 3" from door face. Cabinets and drawers on adjacent 45° and 90° walls should be placed to avoid interference with the handle.
- **Note:** Cabinets installed adjacent to slide-in ranges must have an adhesion spec of at least 194° temperature rating.

Installation Information: Before installing, consult installation instructions packed with product for current dimensional data.

For all installations, install the required rear trim to back of range with 4 screws provided.

- **Electrical Rating:** 120V, 60Hz, 13A
- **Breaker Size:** 15A

Features and Benefits

- **Slide-In Range** – Easily upgrade your kitchen with this new slide-in range that is guaranteed to fit into your existing space.
- **Crisp Mode** – Crisp Mode uses the bake and broil elements to deliver air fry-like results. Perfect for your favorite air-fried foods, this mode uses a preheat to get to temperature, then delivers fantastic crispy results.
- **Express Preheat** – Get food on the table quicker thanks to a fast preheat oven. In just 7 minutes*, you have a perfectly preheated oven. *Preheats oven in just 7 minutes, bake mode to preheat beep, 350 degrees, one standard rack.
- **5-Burner Gas** – Five powerful gas burners make for an efficient cooking experience on this expansive and flexible cooktop.
- **Extra-Large Integrated Non-Stick Griddle** – With an integrated griddle that is 20% larger than leading competition, you can cook up to six grilled cheeses at once.
- **15,000 BTU Power Boil™ Burner** – Boil water faster with a 15,000 BTU Power Boil™ element that delivers high heat for quick boiling.
- **Edge-to-Edge Cooktop** – A large cooking surface gives you extra room for pots and pans of all sizes and lets cookware move easily from burner to burner.
- **Center Oval Burner** – Custom cookware and griddles easily fit on this powerful fifth central oval burner that offers a flexible cooking solution.
- **Precise Simmer Burner** – Prepare your delicate dishes over the low, even heat of this precise simmer burner.
- **Self-Clean with Steam Clean** – Save time and effort by using the self-cleaning function for deep-clean situations or enjoy frequent cleanings without the need for kits or extra steps thanks to the steam clean oven function.
