GE 93983LO Random Sparkle 150 Count 43.4 ft Sparkling Clear LED Plug In Christmas String Lights

Product Information

The StayBrightRandom Sparkle 150 LED Microbright Lights are a seasonal-use lighting product designed to add sparkle and ambiance to your indoor or outdoor space. These lights are manufactured by Nicolas Holiday Ltd., a company located at 246 Spring Hill Road, Unit B, Trumbull CT 06611, United States. The NHL Model No. 93983LO is a variant of these lights specifically designed for NHL fans, featuring the official NHL branding. The lights are powered by a GV-23 Seasonal-Use LED Driver, which ensures safe and efficient electrical operation. The product is also available in a Spanish version with the name StayBrightRandom Sparkle 150 LED Luces En Microbrillantes (Modelo No. 93983LO). Nicolas Holiday Ltd. also has a business presence in Hong Kong, located at Suite 2706 Skyline Tower, 39 Wang Kwong Road, Kowloon Bay, Kowloon, Hong Kong All rights reserved. © 2023 Nicolas Holiday Ltd.

Product Usage Instructions

- 1. Inspect the lights and driver for any visible damage before use. Do not use if damaged.
- 2. Plug the LED driver into a suitable power outlet.
- Connect the StayBrightRandom Sparkle 150 LED Microbright Lights to the LED driver using the provided connectors.
- 4. Ensure all connections are secure and properly aligned.
- 5. Switch on the LED driver to activate the lights.
- 6. The lights will now emit a random sparkling effect, adding a festive touch to your space.
- 7. To switch off the lights, turn off the LED driver or disconnect it from the power outlet.
- 8. After use, carefully disconnect the lights from the LED driver and store them in a safe and dry place.
- 9. Do not expose the lights to excessive moisture or extreme temperatures.
- 10. Refer to the user manual for any additional safety precautions and maintenance instructions.
