SAFETY INTRODUCTIONS

Warning

To reduce risk of fire, electrical shock and injury to persons, observe the following.

1. Only use this fan as described in this owner's guide, other non-recommended use may cause fire, electric shock, or injury.
2. Keep the fan out of the reach of children. This fan is not for use by children.
3. Do not leave the fan running unattended.
4. Never insert fingers, pencils or any other object through the guards when fan is running.
5. Do not disassemble or modify the product for any other purpose.
6. Place this product away from curtains, draperies, tablecloths and other fabrics, since they may be drawn into the fan, damage the motor and/or cause a fire.
7. No part of this product should be placed near furnaces, fireplaces, stoves or other high temperature heat sources.
8. A battery pack is built in the product. Do not dispose of the product in a fire as it may explode.
9. If the fan will not be used for a long time, please charge the battery completely and then store in a dry place.
10. Unplug the USB cable when charging is completed.
11. If strong heat occurs during charging, stop charging or using the product and contact the customer service center.
