Installation Instruction

Welcome to use Makcosmos products, and hope that this product can “Print Happiness” with you;

The following are the installation instructions for the humidifier kit:

1. After unpacking, check whether there are any missing parts (if so, please contact sales as soon as possible)

2. Visit the following address to download and print the model. After printing, remove the supports carefully and check whether the prints are missing:

3. Place the prints on the desktop and prepare the required accessories (as shown below)

4. Place the ⑥ on-off button into the ① upper cover, making sure to place it behind the positioning pillar (as shown below)

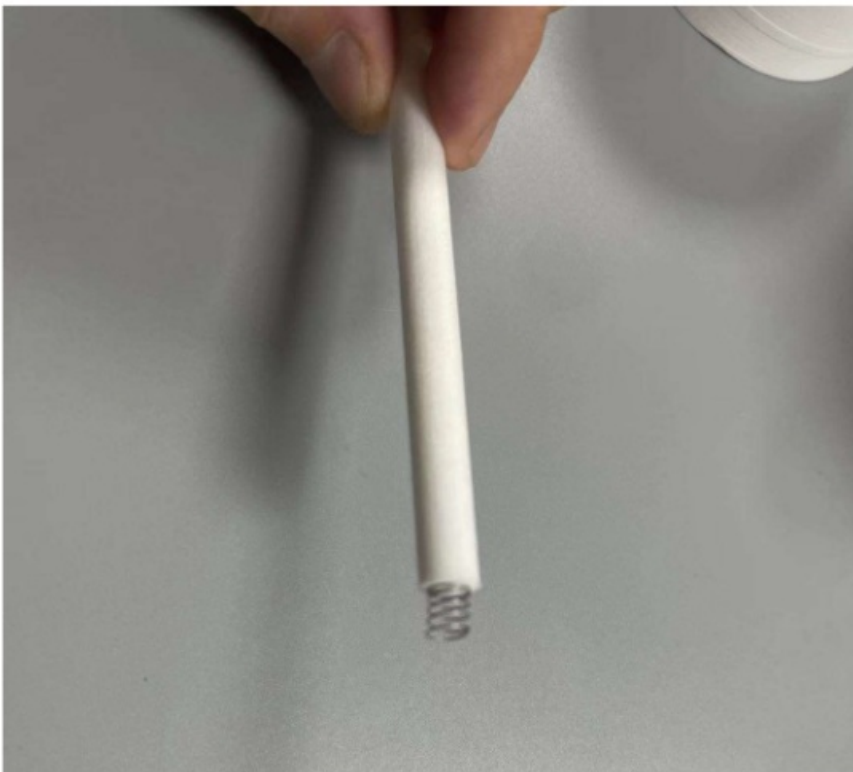

5. Place the ⑤ main board into the ① upper cover, align it with the positioning pillar, press it firmly, and place the atomizer with the front side facing up (as shown below)

6. Press ② inner cover firmly (as shown below)

7. Insert the ④ spring into the ⑦ cotton sticker (as shown below)

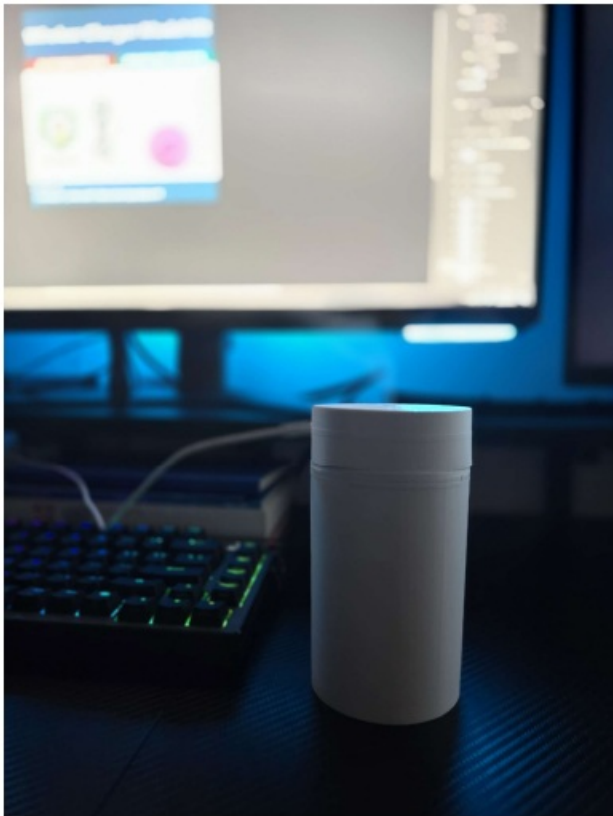

8. Insert the cotton sticker with the spring installed into the bottle (as shown below)

9. Rotate the upper cover and complete the installation
