**gembird MA-D1-01 Adjustable Desk Display Mounting Arm**

## Product Usage Instructions

### Initial Setup

1. Unpack the product and ensure all components are included.
2. Place the product on a stable surface.
3. Connect the power cable to the product and plug it into a power outlet.
4. Turn on the product using the power button.

### Basic Operations

The product can be operated using the following steps:

1. Select the desired function using the function selector.
2. Adjust the settings using the control panel or buttons.
3. Press the start button to initiate the operation.
4. Monitor the progress on the display screen.
5. Once the operation is complete, turn off the product.

### Maintenance and Care

To ensure optimal performance and longevity of the product, follow these maintenance guidelines:

- Regularly clean the product using a soft cloth.

- Avoid using harsh chemicals or abrasive materials.
- Store the product in a cool and dry place when not in use.
- Refer to the user manual for specific maintenance instructions.

## Troubleshooting

If you encounter any issues with the product, refer to the following troubleshooting steps:

1. Check if the power cable is properly connected.
2. Ensure the product is receiving an adequate power supply.
3. Reset the product by turning it off and on again.
4. Contact customer support if the issue persists.

To ensure safe handling of the product, follow the safety advice on:

## WARRANTY

**WARRANTY CONDITIONS** The receipt must list the date of purchase and the part number, in addition, it should be printed. Keep the receipt for the entire warranty period since it is required for all warranty claims. During the warranty period, the defective items will be credited, repaired, or replaced at the manufacturer's expense. Work carried out under the warranty neither extends the warranty period nor starts a new warranty period. The manufacturer reserves the right to void any warranty claim for damages or defects due to misuse, abuse, or external impact (falling, impact, ingress of water, dust, contamination or break). Wearing parts (e.g. rechargeable

batteries) are excluded from the warranty. Upon receipt of the RMA goods, Gembird Europe B.V. reserves the right to choose between the replacement of defective goods or issuing a credit note. The credit note amount will always be calculated based on the current market value of the defective products. Gembird Europe B.V. Wittevrouwen 56, 1358CD Almere, The Netherlands [www.gembird.nl/service](http://www.gembird.nl/service) , [helpdesk@gembird.nl](mailto:helpdesk@gembird.nl)

## FAQs

### Frequently Asked Questions (FAQ)

- **Q: How can I change the language settings?**
    - A: The language settings can be changed in the “Settings” menu. Refer to the user manual for detailed instructions.
  - **Q: Can I use the product on a different voltage?**
    - A: No, this product is designed to operate on a specific voltage range. Using it on a different voltage may damage the product and void the warranty.
  - **Q: Is the product suitable for outdoor use?**
    - A: No, this product is designed for indoor use only. Exposing it to outdoor elements may lead to malfunction or damage.
  - **Q: How often should I clean the product?**
    - A: It is recommended to clean the product regularly, especially after each use, to maintain its performance and hygiene.
-
