gembird MUSWB-6B-01 6 Button Bluetooth Mouse

Specifications:

- Model: MUSWB-6B-01
- Type: 6-Button Bluetooth Mouse
- Resolution: 800/1200/1600 DPI

Product Information

This 6-Button Bluetooth Mouse, model MUSWB-6B-01, is manufactured by Gembird Europe B.V. It features a right button, left button, and scroll wheel button. The mouse offers three different DPI settings: 800, 1200, and 1600 for customizable sensitivity.

Product Usage Instructions

Pairing with a Device:

1. Turn on the mouse by sliding the power switch to the "on" position.
2. Put the mouse in pairing mode by pressing and holding the Bluetooth button until the indicator light flashes.
3. On your device, enable Bluetooth and search for available devices.
4. Select the mouse from the list of devices to complete the pairing process.

Changing DPI Settings:

To adjust the DPI settings on the mouse:

1. Press the DPI button located on the mouse to cycle through the different DPI levels.
2. The indicator light will change color to correspond with the selected DPI setting.

Using Mouse Buttons:

The mouse features a right button, left button, and scroll wheel button for various functions. Use them as you would on a standard mouse.

FAQ

Q: How do I know if the mouse is properly connected via Bluetooth?

A: The indicator light on the mouse will stop flashing and remain solid once the pairing process is successful.

Q: Can I use this mouse with multiple devices?

A: Yes, you can pair this Bluetooth mouse with multiple devices; however, it can only be connected to one device at a time.

SAFETY

To ensure safe handling of the product, follow the safety advice on:

DECLARATION OF CONFORMITY

Hereby, Gembird Europe B.V., declares that this equipment is in compliance with Directive 2014/53/EU (RED). The full text of the EU declaration of conformity is available at the following internet address: **www.gmb.nl/certificates**

WASTE DISPOSAL

Waste disposal: The symbol of the crossed-out wheeled bin means that this appliance must not be disposed of with household waste at the end of its useful life. The appliance must be disposed of in specially set-up collection points, recycling yards or disposal companies. Retailers of electrical appliances with a sales area of at least 400 m² for electrical appliances and grocers with an area of 800 m², which offer electrical equipment several times a year, are obliged to take back electrical equipment. Return and disposal are free of charge for you. When you purchase a new device, you have the right to return a corresponding old device free of charge. Please delete all personal data before returning the appliance. Before returning, please remove the batteries or re-chargeable batteries that are not enclosed by the old device, as well as lamps that can be removed without destruction, and dispose them to a separate collection.
