gembird UHB-CM-U3P1U2P3-02 USB Type C 4 Port USB Hub

Product Information

The UHB-CM-U3P1U2P3-02 is a USB Type-C 4-port USB hub that allows you to expand the number of USB ports on your device. It features one USB 3.1 port and three USB 2.0 ports, providing you with additional connectivity options. The hub is designed in a sleek silver color, complementing your devices and adding a touch of style.

Specifications

- Interface: USB 3.1, backward compatible with USB 3.x/2.0 interface
- Input: 1x USB Type-C male, 13 cm cable
- Output: 3x USB2 type A-female + 1x USB3 type A-female
- Dimensions (LxWxH): 104 x 17 x 7 mm

Product Usage Instructions

Step 1: Connect the Hub to your Device

Take the USB Type-C male connector on the hub and plug it into the USB Type-C port on your device.

Step 2: Connect Devices to the Hub

Connect your USB devices to the hub by inserting the USB cables into the USB type A-female ports. You can connect up to three USB 2.0 devices and one USB 3.0 device.

Step 3: Power On the Hub

If your devices require power from the hub, make sure the hub is connected to a power source using a suitable USB Type-C cable or AC adapter.

Step 4: Start Using Your Devices

Your devices are now connected and ready to use. You can transfer data, charge devices, or perform any other tasks supported by the connected USB devices.

Frequently Asked Questions (FAQ)

Q: Is this hub compatible with my device?

A: The hub is compatible with devices that have a USB Type-C port and support USB 3.1 or USB 3.x/2.0 interfaces.

Q: How many devices can I connect to this hub?

A: You can connect up to three USB 2.0 devices and one USB 3.0 device to this hub.

Q: Can I charge my devices through this hub?

A: Yes, you can charge your devices through the USB ports on this hub, provided that the hub is connected to a power source.

Q: What is the cable length of the USB Type-C male connector?

A: The USB Type-C male connector comes with a 13 cm cable.

Q: Can I use this hub with a USB Type-A port?

A: No, this hub is specifically designed for devices with USB Type-C ports. It is not compatible with USB Type-A ports.

Q: Where can I find more information about this product?

A: You can visit the official website of GEMBIRD EUROPE B.V. at <http://www.gembird.eu> for more information about this product.
