What Is Lemelia Light Made Of

We care for the environment as much as you and providing something which is sustainably designed and made is also our key product philosophy here at Gingko.

The Lemelia light is made of natural and sustainably sourced walnut/ white ash / black wood (treated black) with recyclable frosted acrylic glass. Some wood and acrylic glass we used on this product may also from recycled source.

Warranty & Product Care

Warranty

This product is covered under one year manufacturer warranty starting from the date of purchase. Within the warranty period, any repair service or components replacement will be provided for free. Warranty does not apply to the following circumstances:

1. Product failure due to improper use, misuse, drops, abuse, alteration, faulty installation, power line surge or modification
2. Product failure due to acts of nature such as natural disaster, fire, flood, or casualty.
3. Any damage caused to the charging port by user error is not covered by the manufacturer warranty.

Product Care

1. The product is made of natural wood, any natural wood grain on the wood is not a product fault.
2. Heavy drop or misuse of this product could cause damage to the device and the wooden exterior.
3. You may use a wet cloth to clean the wooden exterior, however do not have direct contact with water as this product is not water proof.
4. Only use 5V USB charging adaptors(Not included) to charge this product.
