GLIMZI Sensor Light User Manual

Contents

GLIMZI Sensor Light User Manual

PRODUCT OVERVIEW
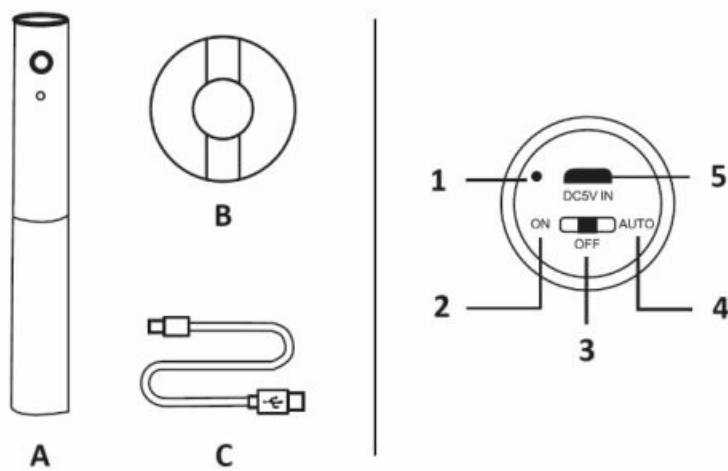

A.Sensor light
B.Mounting piece
C.Charging cable

1. Indicator light

2. ON

3. OFF

4. AUTO

5. Charging port

USER INSTRUCTIONS

Adjusting the Power Button:

- **ON:** Activates constant light mode.
- **OFF:** Turns off the light.
- **AUTO:** Enables automatic lighting mode. The light will turn on for 15 seconds when it detects human activity in a dark environment, then automatically turn off.

Mounting the Night Light:

1. Remove the adhesive backing from the mounting piece.
2. Attach the mounting piece to the desired location.
3. Secure the night light to the mounting piece. (The built-in magnets allow it to attach to any metal surface.)

COMPONENTS
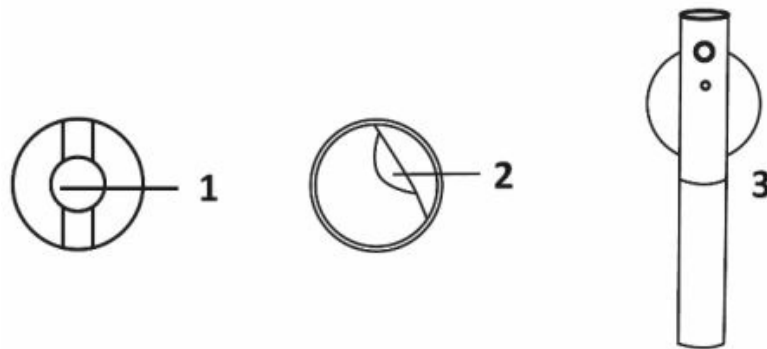

1. Mounting piece
2. 3M Adhesive
3. Attach the night light to the mounting piece
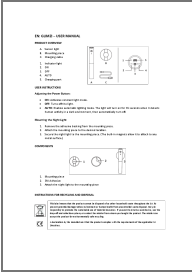

INSTRUCTIONS FOR RECYCLING AND DISPOSAL:

 This label means that the product cannot be disposed of as other household waste throughout the EU. To prevent potential damage to the environment or human health from uncontrolled waste disposal. Recycle responsibly to promote the sustainable use of material resources. If you want to return a used device, use the drop-off and collection system, or contact the retailer from whom you bought the product. The retailer can accept the product for environmentally safe recycling.

 A declaration by the manufacturer that the product complies with the requirements of the applicable EU Directives.
