The product features include a sleek and modern design, an enclosed ladder with molded handrails, an enclosed water delivery system with one plumbing, and LED lighting. The slides are also saltwater friendly.

Product Usage Instructions

To use the Deck Mount Pool Slide, follow these instructions

1. Ensure you have the required deck space as mentioned for the specific model.
2. Ensure the weight limit of the slide is not exceeded. The weight limit is 275 lbs for most models and 175 lbs for the Splash model.
3. Position the slide on the deck in a suitable location.
4. Securely fasten the slide to the deck according to the provided installation instructions.
5. Ensure the ladder is properly attached and secure.
6. If using LED lighting, follow the instructions provided to connect and activate the lights.
7. Fill the water delivery system with water to enable a smooth slide experience.
8. Inspect the slide for any damage or defects before each use.
9. Climb up the ladder and position yourself at the top of the slide.
10. Carefully slide down, maintaining a safe posture and position.
11. Enjoy the thrilling experience of sliding into the pool!
