- Adjust the angle of the phone holder to capture the desired shot.
- Press the button on the selfie stick handle to take a photo.

- **Folding and Storage:**

- To fold the tripod, retract the legs back into their original position.
- Collapse the selfie stick to its shortest length for easy storage.

FAQs

- **Q: How do I change the battery of the selfie stick?**
 - **A:** To change the battery, locate the battery compartment usually at the bottom of the handle, open it, and replace the old battery with a new CR2032 battery.
- **Q: Can I use the selfie stick with a phone larger than 95mm?**
 - **A:** The recommended phone size compatibility is between 65-95mm. Using a phone larger than 95mm may not fit securely in the phone holder.
- **Q: Is the selfie stick waterproof?**
 - **A:** No, the selfie stick is not waterproof. Avoid using it in wet conditions to prevent damage to the electronic components.
