Notes

- The scratching post is only intended for cats to play, climb, and sharpen their claws. The seller does not assume any responsibility or liability with respect to any damage caused by incorrect assembly or improper use.
- The product is intended for indoor use only, not for commercial use or outdoor use.
- During the installation, please follow the correct steps and take necessary security measures, such as wearing a pair of gloves, to avoid injuring your hands.
- After installation, please check and tighten all screws. Then, 2-3 days later, check again to ensure that the screws are properly tightened.
- Check the firmness of all the screws at least once a month.
- Do not put any other objects on the cat tree.
- After assembly, place the product in a well-ventilated area for 3-5 days to eliminate the smell.
- Make sure the product is placed on an even floor to prevent toppling hazards. It is recommended to place it against a wall corner and use the included anti-toppling fittings to secure it to the wall.
- Use a hair remover for daily care. Do not clean with water or other liquid detergents. Always keep the cat tree dry.

- Keep away from heat sources, humidity, and corrosive chemicals, and avoid direct sunlight.
