Specification

- **Wireless Mouse Receiver Kit** – Gen 2 PRO4K/8KHz Edition GLO-WRPRO-4K8K
- **Wireless Mode:** 2.4GHz lag-free wireless connectivity
- **Channel number:** 79
- **Minimum Range:** 5 meters
- **RF Power:** $\leq 4.84\text{dBm}$
- **Operating Frequency:** 2402MHz – 2480MHz
- **Working Temperature:** 0-45 °C

Setting Up

To pair this dongle with your wireless Glorious mouse, run the Glorious Core that can be downloaded from www.gloriousgaming.com.

Support/Service

If you have any questions or issues with your device, please do not hesitate to contact us. Alternatively, please visit us at www.gloriousgaming.com where you can find our frequently asked questions, troubleshooting tips, and other Glorious products.

Copyright and Intellectual Property Information

2022 Glorious LLC. All rights reserved. Glorious and ASCEND are registered, and all associated logos, names, brands, products, and services are either trademarks or registered trademarks and copyright of Glorious LLC. and/or affiliated companies in the United States or other countries. All other trademarks and trade names are the property of their respective owners and other company and product names mentioned herein may be trademarks of their respective companies. Glorious LLC ("Glorious") may have copyright, trademarks, trade secrets, patents, patent applications, or other intellectual property rights (whether registered or unregistered) concerning the product in this guide. Furnishing of this guide does not give you a license to any such copyright, trademark, patent, or other intellectual property rights. The product may differ from pictures whether on packaging or otherwise. Glorious LLC assumes no responsibility for such differences or for any errors that may appear. Information contained herein is subject to change without notice.

Warranty

2-year limited Manufacturer Warranty The warranty does not cover damages as a result of opening the device.

Limitation of Liability:

Glorious shall in no event be liable for any lost profits, loss of information or data, special, incidental, indirect, punitive, or consequential or incidental damages arising in any way out of the distribution of, sale of, resale of, use of, or inability to use the Product. In no event shall GLORIOUS's liability exceed the retail purchase price of the Product.

WARNING: The product contains small parts, so please keep out of reach of children below the age of 10 to avoid the risk of choking. Keep the product away from water and moisture. To avoid the risk of fire, connect the product to a power supply that complies with PS1 requirements outlined in IEC/EN/UL 62368 and outputs less than 15w. Risk of explosion if battery is replaced by an incorrect type. Dispose of used batteries according to the instructions. Operation of this equipment in a residential environment could cause radio interference. The battery is firmly installed, and cannot be replaced. If a battery has reached the end of its service life, the entire product should be replaced.

Maintenance: Be careful when cleaning the product. Wipe dirty surfaces with a lightly damp cloth then let dry. Do not use chemical cleaners or run under water. Clean dust, debris, and sand from the product with a light brush or with a compressed air can.

Storage Condition: Temperature from -20 to 65 ° C; Humidity <95% (RH)

Operation Condition: Temperature from 0 to 45 ° C; Humidity <75% (RH)

DC Voltage

General: These terms shall be governed by and construed under the laws of the jurisdiction in which the Product was purchased. If any term herein is held to be invalid or unenforceable, then such term (in so far as it is invalid or unenforceable) shall be given no effect and deemed to be excluded without invalidating any of the remaining terms. Glorious reserves the right to amend any term at any time without notice.

FCC and ISED Canada Compliance Statements

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.

The device has been evaluated to meet general RF exposure requirement.

The device can be used in portable exposure condition without restriction.

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. this device may not cause harmful interference, and
2. this device must accept any interference received, including interference that may cause undesired operation.

This device and its antenna(s) must not be co-located or operating in conjunction with any other antenna or transmitter.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC / IC Radiation Exposure Warning: This device complies with FCC radiation exposure limits set forth for an

uncontrolled environment and it also complies with Part 15 of the FCC RF Rules. This equipment must be installed and operated in accordance with provided instructions and the antenna(s) must not be co-located or operating in conjunction with any other antenna or transmitter. End-users and installers must be provided with antenna installation instructions and consider removing the no-collocation statement.

EU Declaration of conformity

Hereby, Glorious LLC(13809 Research Blvd Suite 500 PMB 93206 Austin, TX 78750, USA). declares that this Glorious Wireless Mouse Receiver Kit – Gen 2 PRO4K/8KHz Edition [a] is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. A copy of the Declaration of Conformity can be found at Website: www.gloriousgaming.com

1. **CAUTION:** RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN INCORRECT TYPE. DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS.
2. The product shall only be connected to a USB interface of version USB2.0. This information has to be presented in such a way that the user can readily understand it. Typically, this will necessitate translation into every local language (required by national consumer laws) of the markets where the equipment is intended to be sold. Illustrations, pictograms and using international abbreviations for country names may help reduce the need for translation.

Packaging Disposal: Dispose of packaging according to type. Sort the paperboard and cardboard as waste paper and the film as recyclable material.

Waste Electrical and Electronic Equipment Information: Correct Disposal of This Product (Waste Electrical & Electronic Equipment) (Applicable in the European Union and other European countries with separate collection systems) This marking shown on the product or its literature indicates that it should not be disposed of with other household wastes at the end of its working life. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate this from other types of wastes and recycle it responsibly to promote the sustainable reuse of material resources. Household users should contact either the retailer where they purchased this product, or their local government office, for details of where and how they can take this item for environmentally safe recycling. Business users should contact their supplier and check the terms and conditions of the purchase contract. This product should not be mixed with other commercial wastes for disposal.

Manufacturer's Name: Glorious LLC

Product Name: Glorious Wireless Mouse Receiver Kit – Gen 2 PRO 4K/8KHz Edition

Trade Mark: GLORIOUS

Model number: Gen 2 PRO4K/8KHz Edition
