FEATURES

- **Glow in the Dark:** The turtle toy glows in the dark, which can help kids who are afraid of the dark while they sleep alone feel safe and at ease.
- **Soothing Companion:** This soft toy is a friend for babies that helps them feel safe and calm before bed.
- **Musical Features:** It comes with 10 baby rhymes, such as “Mary Had a Little Lamb” and “Twinkle Twinkle Little Star,” which encourages kids to enjoy music.
- **Clear Voice:** The songs are sung in a nice, clear voice that makes it easy for kids to follow along and learn to sing.
- **Huggable Size:** This plush toy is about 14 inches long, which makes it the perfect size for hugging, holding, and cuddling.
- **Adorable Design:** It has a green shell and a yellow stomach, and its bigger front feet make it look like a turtle swimming, which is very cute.
- **Value as an educational tool:** Its form makes kids curious about nature and helps them learn about sea life.
- **Battery-Powered:** Needs three AAA batteries, which are simple to switch out for regular use.
- **Easy to Use:** It's easy for both parents and kids to use because it has separate on/off switches for the lights and music.
- **Light Show:** The turtle's lights change to different colors, which makes playing at night more fun for kids.

- **Automatic Timer:** It has a 15-minute timer that turns off the lights and music themselves, so you can sleep without being woken up.
- **High-Quality Materials:** Made from long-lasting and soft materials that make sure it is safe for babies to use every day.
- **Worth Giving:** It's a nice gift idea for kids and their friends and would be great for birthdays, Christmas, or other events.

SETUP GUIDE

- **Unpack the Turtle:** Carefully take the turtle toy out of its box, making sure that all of its parts are still together.
- **Open the Velcro:** To get to the battery pocket, find the Velcro closure on the turtle's stomach and open it.
- **Putting Batteries In:** Carefully place three AAA batteries into the battery compartment, making sure they are positioned according to the marks for polarity.
- **Close the Battery Box:** Make sure the battery box is closed securely and fix the Velcro so it doesn't open while it's being used.
- **Switch to "on":** To turn on the lights and music, flip the black switch inside the battery box to "on."
- **Pick a Song:** To play a song, press the "△" button on one of the turtle's paws. To play the baby rhymes again, press it again.
- **Turn on the Lights:** Press the lighting button to make the lights glow. After a short time, watch as the lights change colors.
- **Test Functionality:** After setting up the device, make sure that both the lights and the music work properly by pressing the buttons.
- **Putting the turtle toy in a cozy place in your child's room:** like on a bedside table or in bed so it's easy to get to.
- **Bedtime process:** Have your child pick a song and enjoy the glow of the turtle before going to sleep as part of the bedtime process.
- **Setting the timer:** Talk to your child about the 15-minute timer feature so they know that the lights and music will turn off by themselves.
- **Play During the Day:** Let your child play during the day by pressing the buttons and listening to the music.
- **Introduce Others:** Bring the turtle to play dates with friends or brothers to help kids get to know each other and have more fun.
- **Supervise Use:** Make sure that younger children are safe when they play with the toy by keeping an eye on them.
- **Talk About Sea Life:** Use the turtle as a way to teach your child about sea life and nature while they play.

CARE & MAINTENANCE

- **Regular Cleaning:** To keep the soft toy clean and germ-free, wipe it down with a damp cloth every so often.
- **Change the Batteries:** If the music or lights start to dim, change the batteries as needed to ensure the best performance.
- **Avoid Moisture:** To keep the electrical parts from breaking, keep the turtle plush away from water or damp places.
- **Safely store:** Keep things in a cool, dry place when they're not in use to keep their quality.
- **Check for Damage:** Check the soft outside and stitching often for any tears or other damage.
- **Limit Direct sunshine:** To keep the turtle's colors from fading, don't leave it out in direct sunshine for long periods of time.
- **To keep the soft toy from getting torn or damaged:** it's best to play with and handle it gently.
- **Battery box Check:** To make sure the connection is good, check the battery box every so often for corrosion or dirt.
- **Carefully wash:** If the plush needs a deeper clean, use a mild soap and a damp cloth to do it, but don't touch the battery chamber.
- **Teach Safe Use:** Teach kids the right way to handle the toy, like turning it off when not in use.
- **Leave the Plush Away from Pets:** Pets that might chew or dig at it could damage it, so leave it alone.
- **Watch Kids Play:** Keep an eye on kids while they play to make sure they don't pull or yank on the toy too much.
- **Proper Disposal:** If the plush can't be fixed, properly throw it away by following the local rules for soft toys.
- **Customer Feedback:** If you have problems, call Glow Guards' customer service for help and, if necessary, use

the guarantee.

- **Share Care and Maintenance Tips:** Talk to your child about care and maintenance tips to teach them to be responsible for their things.
