**WHAT’S IN THE BOX**

- Musical Light Up Duck Plush
- Battery
- Manual

**FEATURES**

- **Musical Features:** When the button on the soft duck’s right foot is pressed, it sings different songs, making it fun for kids to interact with.
- **Colorful LED Lights:** It comes with LED lights that change colors, which are great for stimulating the eyes and making the room feel calm.

- **Timer Function:** It has a 15-minute timer that turns off the lights automatically, saving energy and making things easier for parents.
- **Soft Plush Material:** It's made of soft, cuddly materials that are good for kids to hug and cuddle while they sleep.
- **Size:** This toy is 13 inch long, which makes it easy for babies to carry around and cuddle with.

- **Easy to Install Batteries**: Batteries are simple to install because there is a Velcro hole on the back of the duck.
- **Battery-Operated**: Needs 3 AAA batteries, which are not included, so kids can play without a plug.
- **Song Selection**: Children can change songs by pressing the “△” button, which encourages them to be active and have fun.
- **Light-Up Feature**: The lighting button on the left foot turns on the bright glow, which makes late-night tasks more relaxing.
- **Value for Education**: It teaches kids about music and rhythm, which helps them develop an early love for music and their hearing.
- **Flexible Use**: It can be used for bedtime, playtime, or as a comforting travel partner. It can adapt to different situations.
- **Idea for a Gift**: This is a great gift for birthdays, holidays, or other special occasions, and both children and adults will love it.
- **Durable Construction**: Made to last even when young children play with it, so it will last for a long time.
- **Cute Design**: The duck’s bright and happy design gets kids’ attention and makes them want to play make-believe.
- **Calming Features**: Putting music and soft lighting together can help calm kids down, which makes it perfect for evening routines.

## SETUP GUIDE

- **Unboxing:** Carefully take the Glow Guards Duck out of its box, making sure that all of its parts are still together.
- **Putting in the Batteries:** To get to the battery pocket, open the Velcro flap on the back of the duck.
- **Insert Batteries:** Put in three AAA batteries, making sure they are in the right way by following the (+/-) marks in the compartment.
- **Power On:** To turn on the duck's features, flip the little black switch to the "on" position.
- **Sound Check:** To check if the duck sings properly, press the "♪" button on its right foot. To move on to the next song, press the button again.
- **Lights On:** Press the left foot's lighting button to turn on the LED lights. After a few seconds, watch as the color changes.
- **Set Timer:** Get used to the 15-minute timer function. The lights will turn off automatically after that amount of time.

- **Tell Children About:** Give the child the duck and encourage them to look around and try out all of its parts and extras.
- **Safety Check:** Before letting kids play, check the mirror for any sharp edges or loose parts.
- **Interactive Play:** Show kids how to use the roller ball and other items to make the game more fun.
- **Set Up the Play Area:** Set up the play area so that there aren't too many distractions or risks. Pick a clean, safe place to play.
- **Watching:** Always keep an eye on little kids while they play with the toy to make sure it's safe.
- **Encourage Imaginative Play:** To get kids more involved in using their imaginations, suggest role-playing situations they can do with the duck.

- **Check-Up:** Make sure the duck is always being checked to make sure all of its parts are working properly.

## CARE & MAINTENANCE

- **Cleaning:** To clean the duck, wipe its surface with a wet cloth to get rid of dust and stains. Be careful not to soak the toy.
- **Use Mild Soap:** If you need to get rid of tough spots, use a mild soap solution that is safe for kids' toys.
- **Avoid Harsh Chemicals:** Bleach and other strong cleaners should not be used on the plush material because they can hurt it.
- **Battery Care:** Check the batteries' life every so often and change them when the sounds get weak or stop working.
- **Check for Damage:** Check the doll often for damage or broken seams, and fix any small problems right away.
- **How to Store It:** To keep the soft doll in good shape, keep it in a cool, dry place when not in use.
- **Limit Water Exposure:** To protect the sound systems inside the toy, don't let it get wet.
- **Teach Gentle Handling:** Tell kids to be careful when they play with the doll so they don't damage the sound box or the soft material.
- **Use a Soft Brush:** To clean plush that has tough dirt, gently use a soft brush that won't damage the fibers.
- **Avoid High Temperatures:** To keep the doll from getting damaged, don't leave it in hot places like a car.
- **Fix Small Problems:** If parts start to come loose, use safe, non-toxic glue to fix small problems.
- **Rotate Use:** To keep the Musical JJ Plush Doll from getting worn out, play with it with other toys on a regular basis.
- **Educate on Care:** To build a sense of duty in kids, teach them how to take care of their toys.
- **Take Care When Getting Rid of Batteries:** When you change batteries, make sure you properly get rid of the old ones and keep the new ones out of reach of children until you're ready to install them.
- **Regular Functionality Checks:** Make sure the sound box is always working properly and isn't stuck or broken by checking it regularly.
