**FEATURES**

- **Adorable Rainbow Pig Design:** The plush has a cute rainbow pig design with floppy ears, black eyes, and a cute nose that kids will love.
- **Dimensions:** It’s about 12 inches tall and 10 inches long, which makes it the perfect size for hugging and calming.

- **Plays 10 well-known songs:** It has a lot of different songs, sounds, and lines, so you can keep learning and having fun.
- **Glowing:** It has a glow-in-the-dark feature that gives off a soft light that makes kids feel safe when they're sleeping alone.
- **15-Minute Timer:** After 15 minutes, the lights and music turn off automatically. This saves battery life and encourages independent sleeping habits.
- **Easy to Install Batteries:** The pig needs three AAA batteries, which are not included. You can get to the batteries by opening a Velcro flap on the back of the pig.
- **Interactive Buttons:** The right foot has a "△" button that plays music, and the left foot has a lighting button that turns on the glow.
- **Soft and Cuddly Materials:** It's made from rainbow-colored fabric that is very soft and is filled with PP cotton, which makes it safe and comfortable for kids.
- **Durable Construction:** Fine stitches and high-quality materials make the plush toy last a long time, so you can play with it every day.
- **Educational Value:** It helps kids learn to sing and recall melodies, which is good for their memory and musical development.
- **Uses:** The pig plush can be used for both fun and bedtime, so kids can have it with them all day and at night.
- **Design for both boys and girls:** The bright colors and friendly style make it appealing to both groups.
- **Ready to Give:** This item is great as a gift for birthdays, holidays, or special days like Valentine's Day and Children's Day.

- **Portable Design:** It's only 9.17 ounces heavy and easy to carry, so it's great for traveling and being comfortable on the go.

## SETUP GUIDE

- **Unboxing:** Carefully take the Musical Light Up Pig out of its box, making sure that all of its parts are still together.
- **Putting in the Batteries:** To get to the battery pocket, open the Velcro flap on the back of the pig.
- **Insert Batteries:** Put in three AAA batteries, making sure to follow the (+/-) signs in the section for the right polarity.
- **Power On:** To turn on the toy, flip the small black button inside the battery box to the "on" position.
- **Sound Check:** If you want to make sure the music works, press the "△" button on the right foot. If it does, press it again to go to the next song.
- **Turn on the Glow:** Press the left foot's lighting button to turn on the LED lights and see the glowing feature.
- **Setting Up:** Put the pig somewhere the child can reach so it's ready to play with or put to bed.
- **Introduce the Pig Toy:** Give the child the pig and tell them to look around and see what it's made of.
- **Safety Check:** Before letting kids play with the toy, check it for any sharp edges or broken parts.
- **Interactive Exploration:** Tell the kids to press the buttons to hear the songs and enjoy the light show.
- **Set Up the Play Area:** Set up the play area so that there aren't too many distractions or risks. Pick a clean, safe place to play.

- **Watching:** Always keep an eye on little kids while they play with the toy to make sure it's safe.
- **Encourage Imaginative Play:** To get kids more involved in using their imaginations, suggest role-playing situations they can do with the duck.
- **Check-Up:** Make sure the duck is always being checked to make sure all of its parts are working properly.

## CARE & MAINTENANCE

- **Regular Cleaning:** To get rid of dust and stains, wipe the pig plush's surface with a wet cloth. Do not soak the toy in water.
- **Use Mild Soap:** If you need to get rid of tough spots, use a mild soap solution that is safe for kids' toys.
- **Avoid Harsh Chemicals:** Bleach and other strong cleaners should not be used on the plush cloth because they can damage it.
- **Battery Care:** Check the batteries' life every so often and change them when the sounds get weak or stop working.
- **Check for Damage:** Check the doll often for damage or broken seams, and fix any small problems right away.
- **How to Store It:** To keep the soft doll in good shape, keep it in a cool, dry place when not in use.
- **Limit Water Exposure:** To protect the sound systems inside the toy, don't let it get wet.
- **Teach Gentle Handling:** Tell kids to be careful when they play with the doll so they don't damage the sound box or the soft material.
- **Use a Soft Brush:** To clean plush that has tough dirt, gently use a soft brush that won't damage the fibers.
- **Avoid High Temperatures:** To keep the doll from getting damaged, don't leave it in hot places like a car.

- **Fix Small Problems:** If parts start to come loose, use safe, non-toxic glue to fix small problems.
- **Rotate Use:** To keep the Musical JJ Plush Doll from getting worn out, play with it with other toys on a regular basis.
- **Educate on Care:** To build a sense of duty in kids, teach them how to take care of their toys.
- **Take Care When Getting Rid of Batteries:** When you change batteries, make sure you properly get rid of the old ones and keep the new ones out of reach of children until you're ready to install them.
- **Regular Functionality Checks:** Make sure the sound box is always working properly and isn't stuck or broken by checking it regularly.
