gmb audio SPK-BT-08 Portable BT Speaker with Microphone

Product Information

Specifications

- **Model:** SPK-BT-08
- **Type:** Portable Bluetooth Speaker with Microphone
- **Features:** BT/USB/TF(microSD)/FM Radio
- **Playback time:** >2 seconds

Product Usage Instructions

- **Charging the Speaker**

To charge the speaker, use the provided charging cable and connect it to a power source. The LED indicator will show the charging status.

- **Pairing with Bluetooth Device**

Turn on the speaker and activate Bluetooth on your device. Search for available devices and select "SPK-BT-08" to pair. Once connected, you can play audio wirelessly.

- **Using USB/TF(microSD) and FM Radio**

To use USB or microSD, insert the storage device into the corresponding slot. Press the mode button to switch to USB/TF mode. To listen to FM radio, press the FM button and tune to your desired station.

Frequently Asked Questions

- **Q: How do I reset the speaker?**

A: To reset the speaker, press and hold the power button for 10 seconds until the LED indicators flash.

- **Q: Can I use the speaker while it's charging?**

A: Yes, you can use the speaker while it's charging, but it's recommended to let it charge fully for optimal performance.

SAFETY

To ensure safe handling of the product, follow the safety advice on: www.gmb.nl/safety.

DECLARATION OF CONFORMITY

Hereby, Gembird Europe B.V., declares that this equipment complies with Directive 2014/53/EU (RED). The full text of the EU Declaration of Conformity is available at the following internet address: www.gmb.nl/certificates.

Waste disposal:

The symbol of the crossed-out wheeled bin means that this appliance must not be disposed of with household waste at the end of its useful life. The appliance must be disposed of in specially set-up collection points, recycling yards, or disposal companies. Owners of WEEE from private households can hand them in free of charge at the designated collection points of the public waste disposal authorities or the take-back points set up by manufacturers or distributors in terms of Directive 2012/19/EU. Please delete all personal data before returning the appliance. Before returning, please remove batteries or re-chargeable batteries that are not enclosed by the old device, as well as lamps that can be removed without destruction, and dispose of them in a separate collection.

Product support: www.gmb.nl/service and/or helpdesk@gembird.nl.
