Portable Bag *1	
Instruction Manual *1	

Operation

1. This product can be used directly, which is compatible with a variety of equipment.
2. Please fix the microphone onto your clothes which are 20 centimeters far away from your face.
3. It is recommended to use a windscreen all the time to avoid wind noise.

Being used on a smartphone

1. Turn the power switch of LMS-60C to OFF/Smartphone(please set the microphone to this step, otherwise, recording cannot be carried out).
2. Insert a 3.5mm TRRS connector into the audio port of the smartphone (use a converted cable if the smartphone does not have a 3.5mm port).
3. Open the audio or video recording applications to start recording.
   Note: When being used on a smartphone, there is no need to install the battery.
Being used on camera

1. Battery should be installed.
2. Turn the power switch of LMS-60C to the Camera (please set the microphone to this step, otherwise, recording cannot be carried out).
3. Insert 3.5mm TRRS connector into the microphone input port of DSLR camera and camcorder. Then, start shooting.
   Note: please make sure the used equipment has a microphone or not. Please verify this with the equipment's manufacturer.
Battery Replacement

1. Open the battery compartment.
2. Take out the old battery and replace it with a new one. Please note the directions of battery anode and cathode
Technical Data

Model	LMS-60C
Type	Capacitive (electret)
Plug	3.5mm TRRS Connector
Pick-up sound mode	Omnidirectional
Peak Sound Pressure Level	120dB (THD≤5% @1KHz)
Frequency Range	20Hz-20KHz
Sensitivity	-32±2dB (OdB=1V/Pa @1KHz)
Signal Noise Ratio	74dB
Working temperature	-10 C-50 C
Battery	LR44 Button Battery
Length/Weight	6m / 52g (battery is included)
Material	Aluminum in grey

Maintenance

Avoid sudden drops. The device may fail to work after strong shocks, impacts, or excess stress.
Keep dry. The product isn't water-proof. Malfunction, rust, and corrosion may occur and go beyond repair if soaked in water or exposed to high humidity.
Keep away from a strong magnetic field. The strong static or magnetic field produced by devices such as radio transmitters leads to malfunction.
This product belongs to consumables and does not support a one-year warranty.
If the product had failures or was wetted, do not use it until it is repaired by professionals.
Changes made to the specifications or designs may not be reflected in this manual.

Warranty

Dear customers, as this warranty card is an important certificate to apply for our maintenance service, please fill in the following form in coordination with the seller and safe-keep it. Thank you!

Product Information	Model	Product Code Number
Customer Information	Name	Contact Number
	Address	
Seller Information	Name	
	Contact Number	
	Address	
	Date of Sale	
Note		

Note: This form shall be sealed by the seller.

Applicable Products
The document applies to the products listed on the Product Maintenance Information (see below for further information). Other products or accessories (e.g. promotional items, giveaways, and additional accessories attached, etc.) are not included in this warranty scope.

Warranty Period
The warranty period of products and accessories is implemented according to the relevant Product MaintenanceInformation. The warranty period is calculated from the day(purchase date) when the product is bought for the first time, And the purchase date is considered as the date registered on the warranty card when buying the product.

How to Get the Maintenance Service
If maintenance service is needed, you can directly contact the product distributor or authorized service institutions. You can also contact the Godox after-sale service call and we will offer you service. When applying for maintenance service, you should provide a valid warranty card. If you cannot provide valid warranty card, we may offer you maintenance service once confirmed that the product or accessory is involved in the maintenance scope, but that shall not be considered as our obligation.

Inapplicable Cases

The guarantee and service offered by this document are not applicable in the following cases: 1. **The product or accessory has expired Its warranty period; 2**. **Breakage or damage caused by inappropriate usage, maintenance or preservation, such as improper packing, improper usage, improper plugging In/out external equipment, falling off or squeezing by an external force, contacting or exposing to the improper temperature, solvent, acid, base, flooding, and damp environments, etc; 3. Breakage or damage caused by the non-authorized institution or staff In the process of installation, maintenance, alteration, addition, and detachment;** 4. **The original identifying information of product or accessory is modified, alternated, or removed; 5**.**No valid warranty card; 6. Breakage or damage caused by using illegally authorized, nonstandard, or non-public released software; 7. Breakage or damage caused by force majeure or accident; 8**. **Breakage or damage that could not be attributed to the product itself.** Once met these situations above, you should seek solutions from the related responsible parties and Godox assumes no responsibility. The damage caused by parts, accessories, and software beyond the warranty period or scope is not included in our maintenance scope. The normal discoloration, abrasion, and consumption are not the breakages within the maintenance scope.
