INTRODUCTION

Thank you for buying our product. Please read through these operating instructions, so you will know how to operate your equipment properly. After you finished reading the instructions manual, put it away in a safe place for future reference.

IMPORTANT SAFETY PRECAUTIONS

When using your Bluetooth Speaker, basic safety precautions should always be followed, including the following:

- X Children should be supervised to ensure that they do not play with the device.
- X Keep this speaker and its accessories away from excessive heat.
- X No sharp object should be subjected to the speaker/speaker-drivers as it may damage the speakers.
- X Only use a soft cloth, no harsh abrasives or chemicals to clean, as it may damage the surface finishing.
- X Ensure the speaker is waterproof by removing all the connected cables and the cap is tightly closed before exposing the speaker to liquid.
- X NEVER expose the speaker to water while charging, as doing so may result in damage to the speaker or the power source.
- X NEVER operate this speaker with a damaged cable or after it has malfunctioned or has been damaged in any manner.
- X NEVER leave the speaker unattended while charging. If the speaker becomes hot, smokes, or gives off an odor during charging, terminate charging immediately.

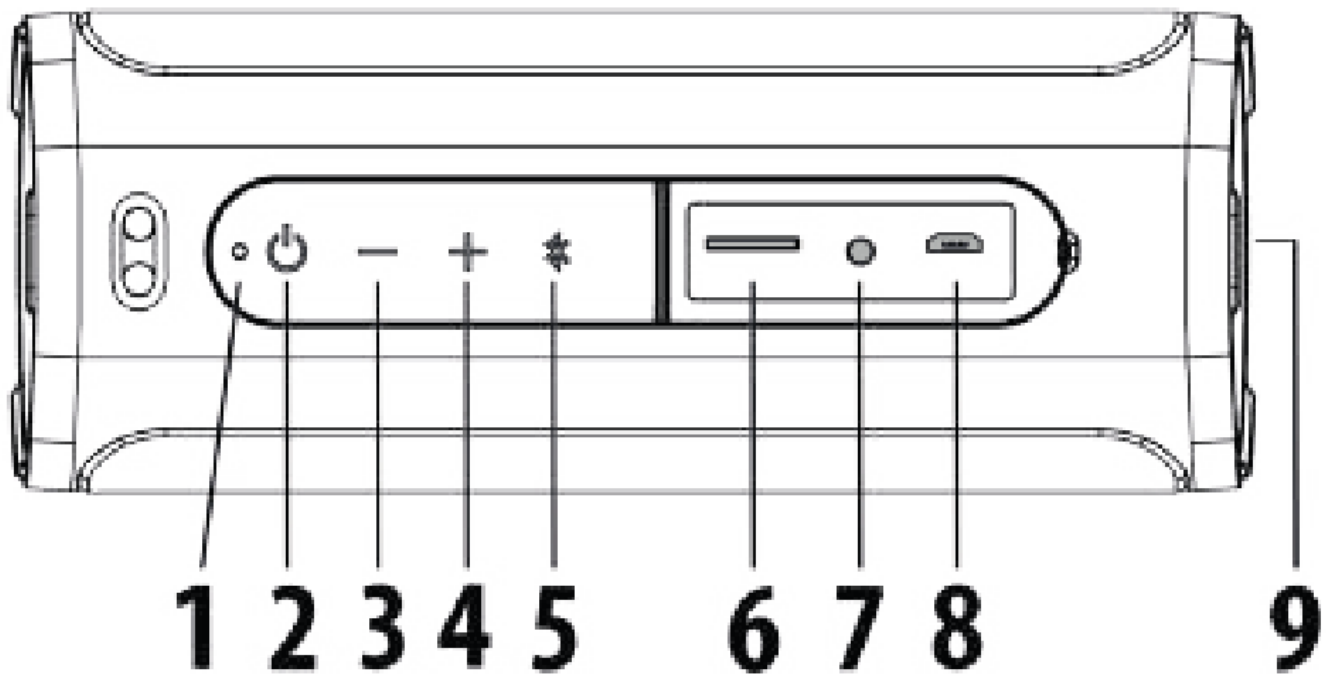

CHARGING YOUR SPEAKER

The charger is not included in the package, please charge the speaker via a standard 5 V / 1~2 A charger or via a PC.

The LED indicator will glow red during charging. The LED indicator turns off when the speaker is fully charged.

IMPORTANT: Please make a complete charge every three months to avoid shortening the battery lifespan.

Package contents: Speaker, USB Charging cable, Audio cable, Strap, User manual

BLUETOOTH MODE

x Press and hold the 1 button to turn on the speaker.

X The speaker is ready to pair if the LED light flashes blue.

X Activate Bluetooth of mobile phone and search for device name “REPRO VENA” then connect it. If the pairing is successful, the LED light will be solid and you can use the speaker to listen to audio from your mobile phone.

Note: For more information, see your mobile phone’s user manual. If you are asked to enter a passcode, enter 0000. After you’ve paired a mobile phone, the speaker remembers it for the next time.

Disconnecting the paired mobile phone

X Press and hold the 5 button to disconnect your mobile phone from the speaker.

Note: The speaker will auto power off after 10 minutes if there is no operate.

TWS (TRUE WIRELESS STEREO) MODE

- X Turn on both speakers. Make sure both speakers are without any Bluetooth connection.
 - X Press the 5 button on one of the speakers, the second speaker will connect automatically.
- The first speaker LED light flashes blue and the LED light of the second speaker one keeps solid, which means both speakers are connected successfully.
- X Pair your mobile phone with the first speaker, the blue LED light of both speakers will be solid.
 - X Press and hold the 5 button on one of the speakers to cancel the TWS connection.

HANDS-FREE FUNCTION

When phone or other smartphone is connected to your speaker, follow the steps below to take calls hands-free.

- X Press the 5 button to pick up the call.
- X Press and hold the 5 button to reject the call.
- X During a call, press the 5 button to hang up the call.

SD CARD MODE

Insert Micro SD card into the speaker. The speaker will play the stored music automatically.

NOTE: The LED indicator will light green after connection and during playback.

AUX IN MODE

The speaker automatically switches to AUX IN mode when you connect your device with the audio cable (included). When using an external device, all functions can only be controlled by the external device.

NOTE: The LED indicator will light green after connection and during playback.

TROUBLE SHOOTING

X The speaker does not turn on.

Charge the speaker. If the speaker does not turn on even after charging, contact customer service.
