Secure packaging, small parts and insulating material against accidental use.

Description and function

Product

This product is a protective contact socket with switch for DE plug systems.
With illuminated safety switch for switching on and off (1-pin)

Scope of delivery

Protective contact socket 16 A, User Manual

Operating Elements

1. ON/OFF switch
2. Protective contact socket
3. Protective contact plug
4. Housing

Specifications

| | |
|--------------------------------------|--|
| Article number | 68906 |
| Connection type 1 | 1x Protective contact socket (Type F, CEE 7/3) |
| Connection type 2 | 1x Safety power plug (Type F, CEE7/4) |
| Rated voltage / current | 250 V ~, 50 Hz, 16 A max. |
| Max. permissible load capacity (W) | 3500 |
| Protection class Protection level | I  IP20 |
| Dimensions (LxWxH) [mm] | 77 x 76 x 51 |
| Weight (g) | 77 |

Intended use

We do not permit using the device in other ways like described in chapter “Description and Function” or in the “Safety Instructions”. Use the product only in dry interior rooms. Not attending to these regulations and safety instructions might cause fatal accidents, injuries, and damages to persons and property.
