Google Cloud Level Up to a Professional Cloud Architect Program User Guide

Program Overview

The Level Up to a Professional Cloud Architect program is designed to help Associate Cloud Engineers quickly advance their skills and prepare for the Professional Cloud Architect (PCA) certification exam. Complete the required learning to earn a certification exam voucher.

Program Eligibility

You must have an active Associate Cloud Engineer (ACE) certification, or one that expired within the last 10 months. Individuals with already valid Professional Cloud Architect Certification are not eligible.

Access to the learning program

The Level Up learning program is available on-demand, at no cost on Google Cloud Skills Boost for Partners. The platform is accessible only to Google Cloud Partners. If you have access under the same email address used for

registration, you can get started straight away. If not, follow these instructions .

Voucher Requirements

- Be registered and confirmed for the Level Up program (registration site).
- Complete the “Preparing for your Professional Cloud Architect Journey” module within 30 days 2 of registration. Please ensure you use the same email address that was confirmed for registration. Using a different email to complete the learning will significantly delay the voucher.

If you finished the learning requirement over 5 days ago but less than 30 days ago using the same email address that was confirmed for registration, and you still don't not have a voucher, please contact the support team: cloud-part ner-training@google.com

Optional resources to help you prepare:

- Attend a live Exam Readiness Workshops (2 hours)
- Review the online Exam Prep or Test Your Knowledge assessments (2 hours)
- Review the Exam Guide (30 minutes)
