GOOSH Built-in-LED Halloween Inflatable Zombie

INTRODUCTION

The GOOSH 4FT Built-in-LED Halloween Inflatable Zombie, which costs \$20.99, will provide an exhilarating horror to your Halloween festivities. With its integrated bright LED lights, this small yet striking zombie decoration is made to creep toward your visitors and will give your garden, yard, or indoor party space a spooky glow. This inflatable is made of premium waterproof polyester and is strong enough to withstand rain, rips, and rips during the Halloween season. The powerful built-in fan quickly inflates the zombie in a matter of minutes, and a CE and UL-certified adapter guarantees safe operation. It is portable and lightweight, and it has all the equipment you need to keep steady outside. It is simple to deflate, fold, and store in the provided storage bag after the celebrations are over. This inflatable zombie adds both fun and eerie charm to Halloween gatherings, making it ideal for trick-or-treat setups, haunted yard displays, and more.

Usage	Outdoor/Indoor: yard, garden, lawn, Halloween parties

WHAT'S IN THE BOX

- 1 × GOOSH 4FT Inflatable Zombie
- Built-in air blower
- 10 FT power cord
- Ground stakes
- Securing ropes
- Storage bag
- User manual

FEATURES

- **Creepy Design:** Stands 4 feet tall in a crawling pose, creating a thrilling and spooky Halloween display.
- **Nighttime Glow:** Built-in bright LED lights illuminate the zombie for a chilling effect after dark.

- **Fast Inflation:** High-performance waterproof fan allows quick self-inflation for easy setup.
- **Certified Safety:** CE and UL-certified adapter ensures safe and reliable operation.
- **Flexible Placement:** Comes with a 10-foot power cord for convenient positioning indoors or outdoors.
- **Premium Fabric:** Made from high-quality waterproof polyester that resists rips and tears.
- **Durable Construction:** Sturdy materials ensure long-term use and withstand multiple seasons.
- **Weather-Resistant:** Suitable for outdoor use in rain or shine, keeping your display safe.
- **Lightweight & Portable:** Weighs only 590 grams, making it easy to carry, move, and store.
- **Compact Storage:** Foldable design allows for effortless packing and transport.
- **Secure Anchoring:** Includes ground stakes and securing ropes to keep the zombie stable.
- **Easy Deflation:** Inflatable deflates quickly for convenient storage after use.
- **Eye-Catching Display:** Perfect for front yards, gardens, porches, or Halloween parties.
- **Quick Setup:** Fully inflates in minutes without the need for extra tools.
- **Reusable:** Built to last for repeated use every Halloween season.

SETUP GUIDE

- **Choose Location:** Select a clean, flat area free from debris or sharp objects.
- **Lay Flat:** Spread the zombie evenly on the ground before inflating.
- **Check Fan Area:** Ensure the blower air inlet is unobstructed for proper inflation.
- **Close Zippers:** Secure all zippers to maintain airtight inflation.
- **Connect Power:** Plug the CE/UL-certified adapter into a safe electrical outlet.
- **Power On:** Turn on the blower to start self-inflation.
- **Adjust Position:** Position the zombie in its crawling stance for an authentic effect.
- **Stake Anchoring:** Insert metal stakes through the lower tabs into the ground for stability.
- **Tie Ropes:** Secure the inflatable further by fastening ropes to stakes.
- **Smooth Fabric:** Remove wrinkles or folds to enhance the appearance.
- **Check Lights:** Confirm LED lights illuminate correctly.
- **Cord Safety:** Keep the power cord away from foot traffic and hazards.
- **Avoid Hazards:** Do not place near water, heat sources, or open flames.

- **Check Stability:** Ensure the inflatable is secure before leaving unattended.
- **Enjoy Display:** Step back and admire the spooky Halloween zombie glow.

CARE & MAINTENANCE

- **Unplug First:** Always disconnect from power before cleaning, moving, or storing.
- **Protect Fan:** Avoid wiping or wetting the motor or blower to prevent damage.
- **Inspect Fabric:** Periodically check for holes, tears, or weak spots.
- **Repair Minor Damage:** Patch small rips with needle and thread promptly.
- **Close Zippers:** Secure all zippers before storing to maintain shape.
- **Dry Storage:** Keep in a dry area to prevent mold, mildew, and fabric damage.
- **Fold Carefully:** Fold gently to avoid creases or stress on seams.
- **Check Accessories:** Inspect stakes and ropes for wear or damage before each season.
- **Gentle Cleaning:** Wipe fabric with a dry or slightly damp cloth.
- **Cool Down:** Allow blower and adapter to cool completely before packing.
- **Avoid Heat Sources:** Keep away from open flames, heaters, or other heat hazards.
- **Test LED Lights:** Confirm all lights function properly before each Halloween season.
- **Replace Components:** Swap out any missing or damaged stakes or ropes immediately.
- **Avoid Humidity:** Do not store in areas with high moisture to prevent damage.
- **Fully Inflate:** Ensure the zombie is fully inflated each time to reduce stress on seams.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Inflatable not inflating	Power not connected	Check outlet and plug
Slow inflation	Fan obstructed	Clear debris from air inlet
Zombie leaning	Stakes or ropes not secured	Adjust stakes and ropes

Problem	Possible Cause	Solution
LED lights not working	Loose wiring	Reconnect wires and adapter
Collapses in wind	Insufficient anchoring	Use more stakes/ropes
Fabric tear	Sharp object	Patch with needle/thread
Zipper jammed	Misalignment	Gently realign and zip
Blower overheating	Continuous operation	Turn off and cool 10–15 min
Wrinkles in fabric	Improper folding	Smooth out while inflated
Noise from fan	Debris in fan	Clean fan vents
Deflates quickly	Zipper open	Close zipper and check fan
Not upright	Uneven surface	Place on level ground
Blower not starting	Faulty adapter	Replace adapter or check plug
Inflatable tip over	Strong wind	Use additional stakes or sandbags
LED flicker	Loose connection	Check wiring and adapter

PROS & CONS

Pros (5 Points):

- Compact and portable 4FT design.
- Built-in LED lights for a glowing effect.
- Fast self-inflation with high-performance fan.
- Weather-resistant and durable polyester construction.
- Easy setup and storage with included stakes and ropes.

Cons (5 Points):

- Small size may not be visible from a distance.
- Continuous power needed during display.
- Must be anchored properly in windy conditions.
- LED lights may flicker if wiring is loose.
- Limited indoor use if space is small.

WARRANTY

The **GOOSH Built-in-LED Halloween Inflatable Zombie** comes with a **1-year limited manufacturer warranty** covering defects in materials, fan, and LED lights under normal use. Misuse, extreme weather damage, or improper storage are not included. For warranty claims, retain your purchase receipt and contact GOOSH customer support. Their team ensures your inflatable zombie remains fully functional and ready to scare for many Halloweens to come.
