## Registration for external users

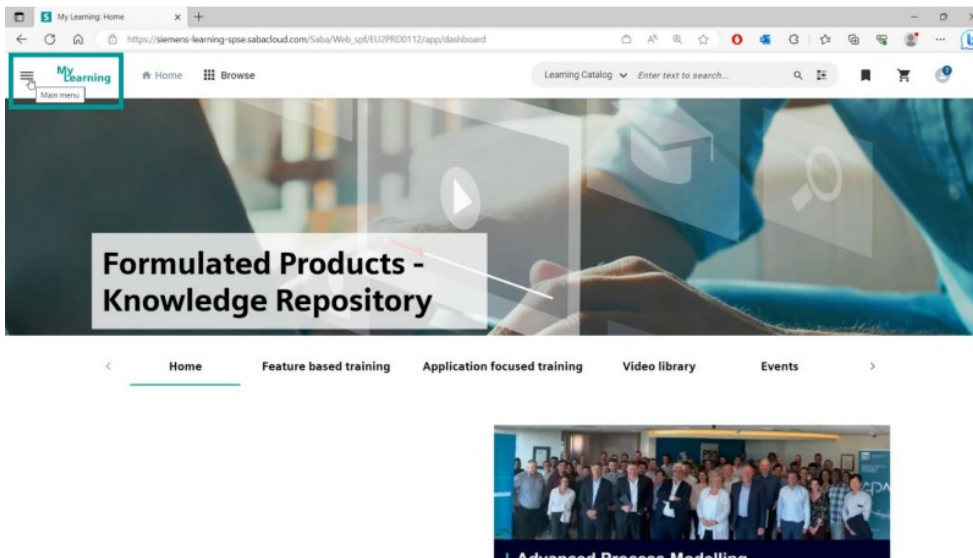

Note that internal Siemens users do not need to register and may proceed directly to login.

1. Register for the platform by completing and submitting the corresponding form on the **Siemens website**.

2. If your registration request was successful, you will receive your access credentials via email within 2-3 working days. Consult the frequently asked questions on the website page for further details regarding registration.

## Switching workspace views

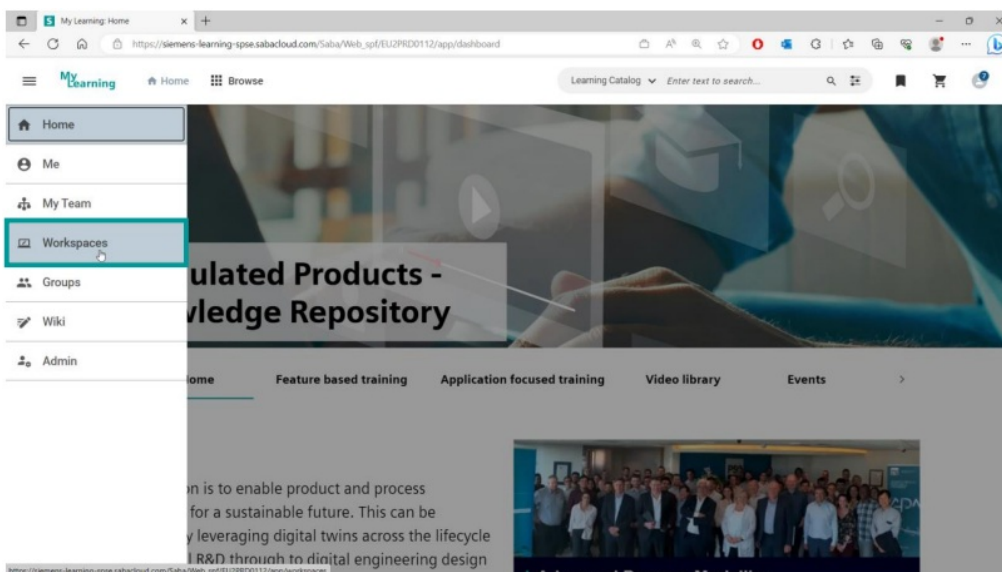

1. Open one of the links below and login to the platform using your credentials.
  - a. Landing page for gPROMS Formulated Products customers
  - b. Landing page for gPROMS Process customers
  - c. Siemens MyID login (internal Siemens users)
2. Once logged in you will see a home screen that is locked to the type of profile you have (internal/external).
3. To swap to a different view, navigate to the main menu.

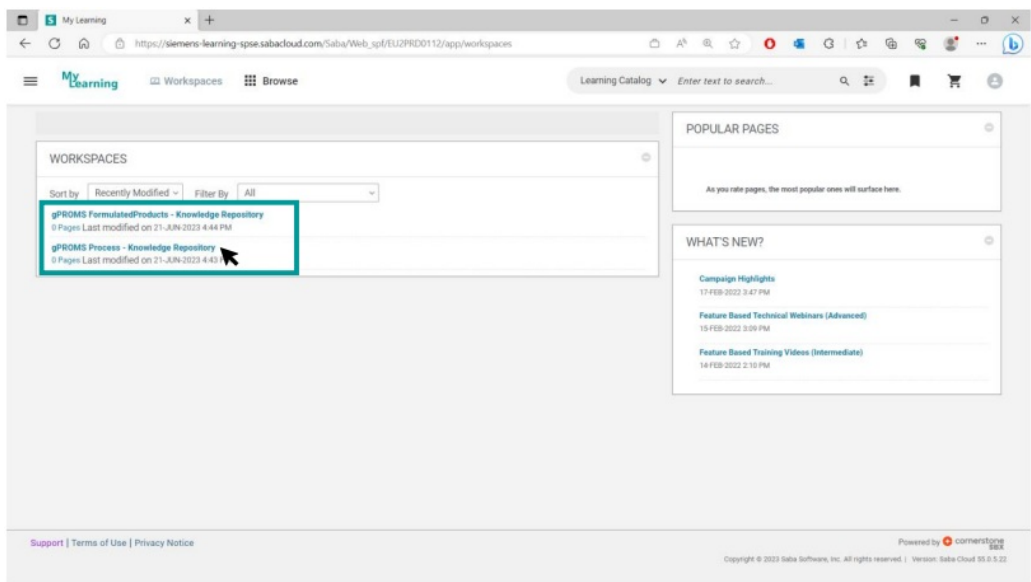

### Welcome!

“Our mission is to enable product and process innovation for a sustainable future. This can be achieved by leveraging digital twins across the lifecycle from digital R&D through to digital engineering design

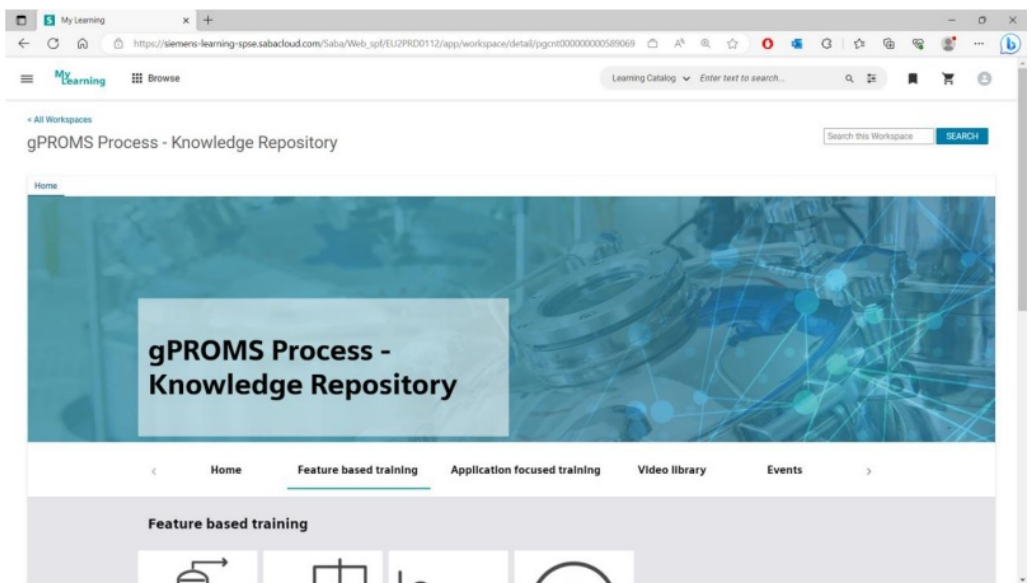

4. Navigate to “Workspaces”.

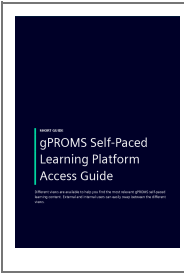

5. Navigate to the desired workspace from the list below:
  - a. gPROMS Formulated Products – Knowledge Repository
  - b. gPROMS Process – Knowledge Repository

6. Navigate the workspace within the sub window.
