- Press the “” button to activate the thermometer. It will display the temperature.
- Thermometer displays the water temperature once it is in water. If temperature does not display, press the button “” again to reactivate.

HOW TO REPLACE BATTERY?

- When the LCD display becomes not clear, replace the new batteries according to the following instruction.

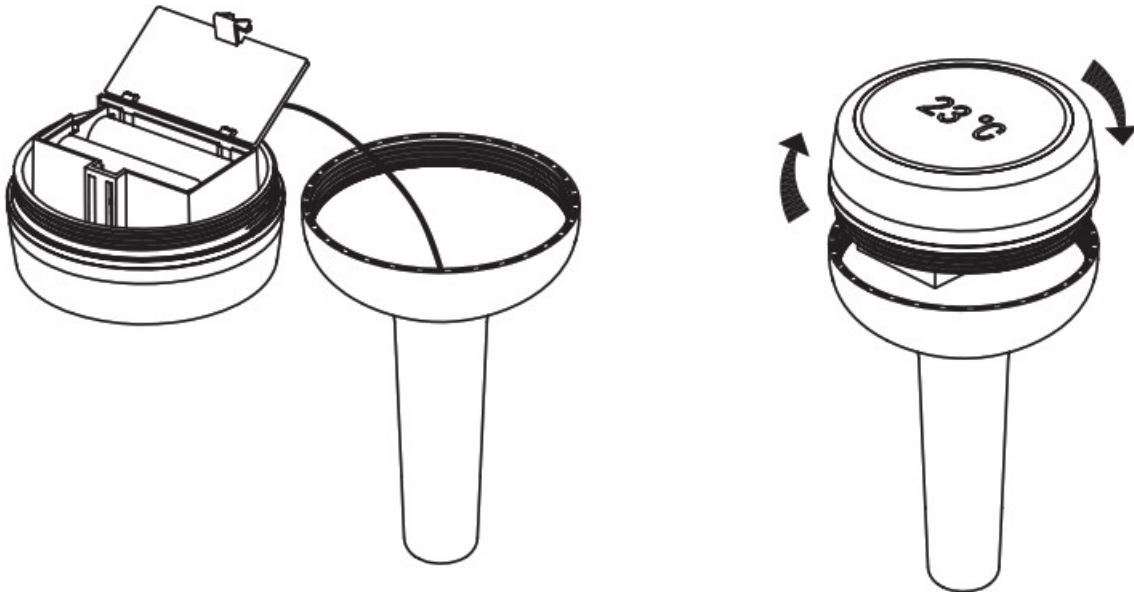

Step 1:

Screw to open the top cover.

Step 2:

Pay attention to the internal wire, do not break the wire when opening the top cover.

**Step 3:**

Open the battery compartment door, take out old batteries and replace new ones.

Step 4:

Please fasten the screw tightly to prevent water from entering.

WARNING!

1. Make sure that batteries are inserted the right way around and with the correct polarity.
2. Do not mix new and used batteries or mix batteries of different types – always use a complete set of new batteries of the same type when replacing batteries.
3. Remove exhausted batteries from the product.
4. The supply terminals are not to be short-circuited.
5. Dispose of battery safely.
6. If the equipment is used in a manner not specified by the manufacturer, the protection provided by the equipment may be impaired.

ATTENTION!

- Do not drop the thermometer. LCD may be damaged.
- Do not press on the LCD display.
- Under strong sunshine, warm air inside the thermometer may expand and push up the surface. This is normal and will return to normal operation by pressing “⏻” button.

WARRANTY

The product has passed all quality control and safety tests, conducted by the technical department of the factory.

Warranty information:

1. Warranty period is 12 months from the date of purchase or according to local law in the country of purchase.
2. This warranty is void if the product has been altered, misused or has been repaired by unauthorized personnel.

- 3. The warranty extends only to manufacturing defects and does not cover any damage resulting from mishandling of the product by the owner.
- 4. The sales invoice must be presented for any claim or repair during the warranty period. Please contact your local dealer for any warranty issues.

Environmental programmes, WEEE European Directive
