## Introduction

The Gueray KC906 Bluetooth Desktop CD Player is a small and flexible sound system that blends new technology with old-fashioned features in a way that works perfectly. It connects to Bluetooth, so you can play music from your phone or computer without wires. This device can play CDs, CD-Rs, and CD-RWs. It also has an FM radio, USB playing, and an AUX input to give you more options for your music. Because of its sleek and stylish design, the Gueray KC906 is a great addition to any room. It looks great and sounds great too. It has a 40mm speaker system with stereo sound that makes the sound clear and full. The built-in LCD screen shows details about each track, which makes it easy to move between songs. The Gueray KC906 also comes with a remote control that lets you change the volume, play music, and more without having to reach for the device. It's great for use at home and would also make a great gift for music fans.

## Features

1. **Connectivity via Bluetooth:** The Gueray KC906 has Bluetooth 5.0 technology, which lets you connect your

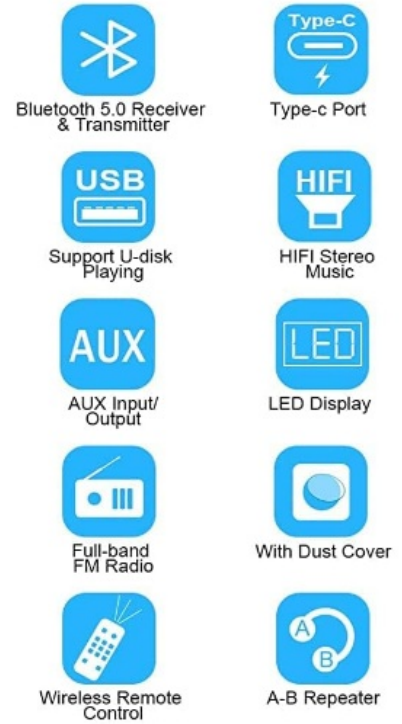

phone, computer, or other Bluetooth-enabled device wirelessly. You can listen to music, podcasts, or talks that you've streamed through the built-in sound speakers or Bluetooth speakers that you connect.

2. **FM Radio:** The player has an FM radio built in that works with frequencies between 87.5 MHz and 108.0 MHz. You can quickly switch to FM mode and listen to your favorite stations, so you don't need any other equipment to enjoy the radio.
3. **Multiple Audio Sources:** The Gueray KC906 lets you play a wide range of audio files. Besides CDs, it works with MP3 files on USB drives, AUX input for other devices, and Bluetooth connection, so you can enjoy your music in any way you like.

# ALL IN ONE BLUETOOTH DESK CD PLAYER

4. The CD player is small and stylish. Its design is sleek and modern, and it's small enough to fit on any desk, shelf, or tabletop. It's great for small rooms because it doesn't sacrifice style or function. Because it's small, it can blend in with any room's decor.
5. **LCD Display:** The LCD is clear and easy to use. It shows information about the track, the FM station, and the Bluetooth state. This makes it easy to control your music. The screen is simple to read, so the experience is smooth and hassle-free.
6. **Remote Control:** The Gueray KC906 comes with a remote control that lets you change modes, change the volume, and more while you're away. This feature makes using the device easier and better, especially when you're sitting down and handling it.

**REMOTE CONTROL**

7. **High-Quality Sound:** The Gueray KC906 has two Hi-Fi Bluetooth speakers built in, so the sound is rich, clear, and engaging. The sound quality is great whether you're playing CDs, getting music via Bluetooth, or listening to FM radio. This makes it great for casual listening or setting the mood in the background.
8. **Wide Compatibility:** The Gueray KC906 works with many types of discs, such as normal CDs, CD-R, CD-RW, and CD-G. Because it works with so many things, you can play all of your best media without any problems.
9. With USB Playback, you can play MP3 songs directly from a USB flash drive or TF card, so you don't have to put in a CD to listen to your digital music. You can enjoy music from a variety of sources because the player works with different forms.
10. **Energy-Efficient:** This CD player is made to use little electricity; it only needs 12W to work. It works with an AC charger, so you can get great music while saving power.
11. **Multi-purpose CD Player:** The Gueray KC906 is a small gadget that can do a lot of different things. The fact that it can be used as a Bluetooth 5.0 HiFi Speaker, FM Radio, USB Flash Drive Player, and 3.5mm Audio Player makes it a useful addition to your home audio system.

12. **Bluetooth Transmitter and Receiver:** The Gueray KC906 can both send and receive Bluetooth signals. It lets you send music from a CD player to headphones or Bluetooth speakers that are also Bluetooth.
13. The Gueray KC906 is easy to set up and use on any desk or table because it has a form factor that makes it work well on desktops. It is small, light, and doesn't need to be put together, so music lovers can just plug it in and play.
14. **Wired Speaker Option:** If you'd rather connect to a wired device or speaker, the Gueray KC906 has a normal 3.5mm audio cord that you can use to connect it to other devices or speakers. This gives you the freedom to listen to songs in different places.
15. **A Great Gift Choice:** The Gueray KC906 is a great gift for music lovers because it looks good and can be used for many things. It's perfect for birthdays, holidays, or as a thoughtful gift for someone who likes a lot of different kinds of music.

## Usage

### Bluetooth Streaming:

- Turn on the Gueray KC906 and enter Bluetooth mode.
- On your Bluetooth device, search for the "Gueray KC906" and connect.
- Once connected, you can stream music from your device to the player.

### **CD Playback:**

- Open the CD tray and place your CD inside.
- Close the tray, and the player will automatically detect the CD.
- Use the remote or control panel to navigate tracks.

### **FM Radio:**

- Press the “FM” button to switch to radio mode.
- Use the tuning function to find your favorite radio station.

### **USB Playback:**

- Insert a USB drive containing MP3 files into the USB port.
- The player will automatically detect the USB drive and start playing the audio.

### **AUX Input:**

- Connect an external device to the AUX input using the included 3.5mm cable.
- The audio will be played through the Gueray KC906 speakers.

## **Care and Maintenance**

### **Cleaning:**

- Regularly clean the surface of the Gueray KC906 with a soft, dry cloth to remove dust and fingerprints.
- Avoid using abrasive cleaning materials that could scratch the surface.

### **CD Tray:**

- Ensure the CD tray is free of dust and debris.
- Do not forcefully close the tray; use the eject button.

### **Bluetooth Pairing:**

- To maintain a stable Bluetooth connection, keep the device close to the player and avoid interference from other electronic devices.

### **Storage:**

- When not in use for extended periods, unplug the device and store it in a cool, dry place.
- Avoid exposing the player to direct sunlight or moisture.

### **Speakers:**

- Ensure the speakers are not obstructed by any objects to allow for proper sound output.
- If sound distortion occurs, check the volume settings and ensure the speakers are not damaged.

**Troubleshooting**

**No Sound Output:**

- Ensure the volume is turned up both on the player and the source device.
- Check if the player is in the correct mode (CD, Bluetooth, FM, etc.).
- Make sure the speakers are not muted.

**Bluetooth Not Connecting:**

- Ensure the player is in Bluetooth pairing mode and visible to your device.
- Check that your Bluetooth device is within range (typically 10 meters).
- Restart the Bluetooth connection by turning off and on both the player and your device.

**CD Not Playing:**

- Ensure the CD is properly inserted and is not scratched or damaged.
- Check if the CD is compatible with the player (e.g., CD-R, CD-RW).

**FM Radio Static:**

- Make sure the antenna is fully extended and positioned correctly.
- Try manually tuning to the desired station using the tuning buttons.

**USB Not Detected:**

- Ensure the USB drive is properly formatted (FAT32) and contains supported MP3 files.
- Try a different USB port or drive if the issue persists.

**Pros and Cons**

Pros	Cons
Affordable price	Limited battery life when portable
Bluetooth connectivity	May not support all CD formats
Compact and portable	Remote control battery not included
Multiple playback options	Sound quality may vary at high volumes

**Warranty**

The Gueray KC906 comes with a one-year warranty covering manufacturing defects. Please retain your purchase receipt for warranty claims.

## FAQs
