FAQ

1. When the mouse is unresponsive or stuck, what should I do?

It may be that the mouse is out of battery, it is recommended to charge the mouse first. (Notice! Need to turn the switch to ON to charge)

2. When the mouse suddenly doesn't respond, or can't connect to the computer, what should I do?

Turn off the power of the mouse, reinsert the receiver into another computer USB port, wait for about ten seconds, and then turn on the power switch of the mouse.

If your problems can't get solved yet after that, please contact our customer service for help. (Email: **seabdgservice@outlook.com**)
NOTE:
Please do not use the mouse on the glass or mirror. It is recommended to use it with a mouse pad.
