Operating instruction

Thank you for choosing aHama product. Take your time and read the following instructions and information completely. Please keep these instructions in a safe place for future reference. If you sell the device, please pass these operating instructions on to the new owner.

Explanation of Warning Symbols and Notes

Warning

This symbol is used to indicate safety instructions or to draw your attention to specific hazards and risks.

Note

This symbol is used to indicate additional information or important notes.

Package Contents

- Bluetooth ® v4.0 USB Adapter
- These operating instructions

Safety Notes

- Protect the product from dirt, moisture and overheating and use it in dry environments only.
- Do not use the product in areas in which electronic products are not permitted.
- Do not use the product in a damp environment and avoid splashing water.
- Do not drop the product and do not expose it to any major shocks.
- Dispose of packaging material immediately in accordance with the locally applicable regulations.
- Do not modify the product in any way. Doing so voids the warranty.
- This product is intended for private, non-commercial use only.
- Use the product only for the intended purpose.
- Do not use the product in the immediate vicinity of heaters, other heat sources or in direct sunlight.

- Only use the article under moderate climatic conditions.
- As with all electrical products, this device should be kept out of the reach of children.

Product Features

Range:

Class 1: max. 100 m

Note

Please note that the maximum range can be reduced by obstacles such as walls, people, etc.

System Requirements

Computer with an available USB port and one of the following operating systems installed: Windows 10, 8.1, 8, 7 (32 or 64-bit edition)

Getting Started

The drivers or software for your Hama product are already integrated into Windows 10, 8.1, 8 and 7. This means you do not have to install any additional drivers. The integrated Bluetooth® stack supports all common Bluetooth® profiles so you do not need to install any additional Bluetooth® stacks.

- Switch on your computer and insert the device into a free USB port or USB hub connected to the computer.
- Click the Bluetooth® symbol in the task bar with the right mouse button and configure the adapter.

Warning

Do not use force when plugging the device into the USB port. Doing so could damage the USB port.

A power supply of 15 W must not be exceeded during operation. The product may only be operated on a mouse or computer signal input.

Care and Maintenance

Only clean this product with a slightly damp, lint-free cloth and do not use aggressive cleaning agents.

Warranty Disclaimer

Hama GmbH & Co KG assumes no liability and provides no warranty for damage resulting from improper installation/mounting, improper use of the product or from failure to observe the operating instructions and/or safety notes.

Recycling Information

Note on environmental protection:

After the implementation of the European Directive 2012/19/EU and 2006/66/EU in the national legal system, the following applies: Electric and electronic devices as well as batteries must not be disposed of with household waste. Consumers are obliged by law to return electrical and electronic devices as well as batteries at the end of their service lives to the public collecting points set up for this purpose or point of sale. Details to this are defined by the national law of the respective country. This symbol on the product, the instruction manual or the package indicates that a product is subject to these regulations. By recycling, reusing the materials or other forms of

utilising old devices/batteries, you are making an important contribution to protecting our environment.

Declaration of Conformity
