Package contents

- Bluetooth® v5.0 USB Adapter
- These operating instructions

Safety instructions

- Protect the product from dirt, moisture and overheating and use it in dry environments only.
- Do not use the product in areas in which electronic products are not permitted.
- Do not use the product in a damp environment and avoid splashing water.
- Do not drop the product and do not expose it to any major shocks
- Dispose of packaging material immediately in accordance with the locally applicable regulations.
- Do not modify the product in any way. Doing so voids the warranty.
- This product is intended for private, non-commercial use only.
- Use the product only for the intended purpose.
- Do not use the product in the immediate vicinity of heaters, other heat sources or in direct sunlight.
- Only use the article under moderate climatic conditions.
- As with all electrical products, this device should be kept out of the reach of children.

Product characteristics

Range: max. 20m

Note:

Please be aware that the maximum range may be reduced by obstacles such as walls, people, etc.

System requirements

Computer with an available USB port and installed operating system: Windows 10, 8.1, 8, 7 (32 or 64-bit edition)

Getting started

Warning:

Do not force the device into the USB socket. Doing so can damage the USB port. The drivers and software for your Hama product are already integrated into Windows 10, 8.1, 8 and 7. The installation of additional drivers is therefore not necessary. The integrated Bluetooth® Stack supports all common Bluetooth® profiles, which means that the installation of an additional Bluetooth® Stack is not required.

- Connect the device to an available USB port on the switched-on computer or connected USB hub.
- With the mouse, right-click in the task bar on the Bluetooth® symbol and configure the adapter.

A power supply of 15 W must not be exceeded during operation. The product may only be operated on a mouse or computer signal input.

Care and maintenance

- Only clean this product with a slightly damp, lint-free cloth and do not use aggressive cleaning agents.

Warranty disclaimer

Hama GmbH & Co KG assumes no liability and provides no warranty for damage resulting from improper installation/mounting, improper use of the product or from failure to observe the operating instructions and/or safety notes.

Recycling information

Note on environmental protection:

Following the implementation of European Directive 2012/19/EU and 2006/66/EU into the national legal systems, the following applies: Electrical and electronic devices as well as batteries must not be disposed of with household waste. Consumers are obliged by law to return electrical and electronic devices as well as batteries to the designated public collection points or to the point of sale at the end of their service lives. Detailed information on this topic is defined in the national laws of the respective country. This presence of the above symbol on the product, operating instructions or package indicates that the product is subject to these regulations. By recycling, reusing the materials or other forms of utilising old devices/batteries, you are making an important contribution to protecting our environment.

Declaration of Conformity

Hama GmbH & Co KG hereby declares that the radio equipment type [00053312] is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following Internet address:
