Harman Kardon Onyx Studio 4 Bluetooth Speaker User Guide

What's in the box

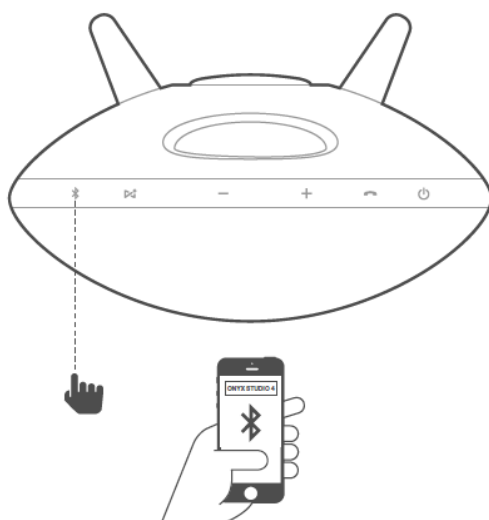

Connections

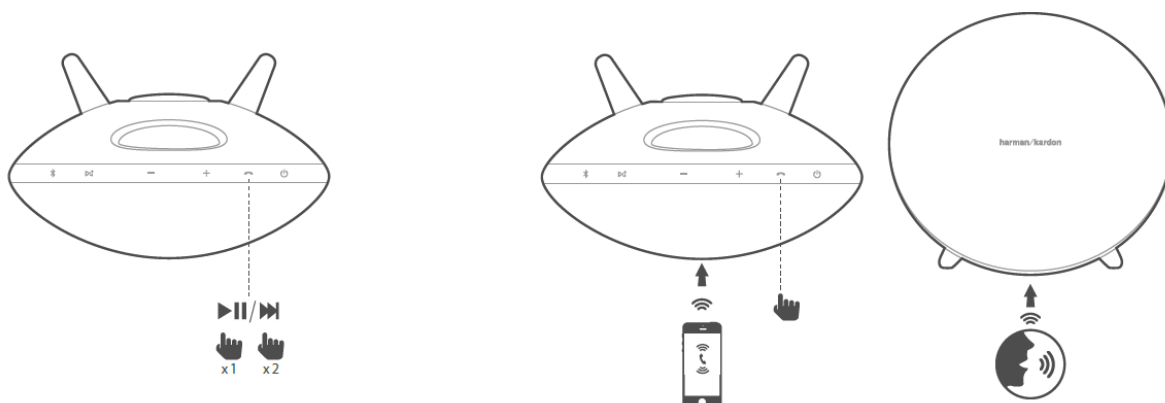

Bluetooth

1. Bluetooth connection

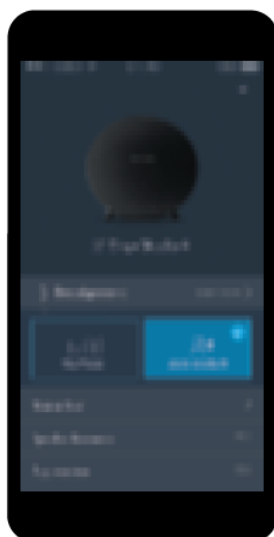

2. Music Control

3. Speakerphone

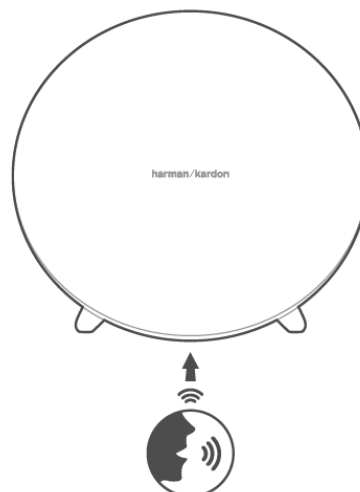

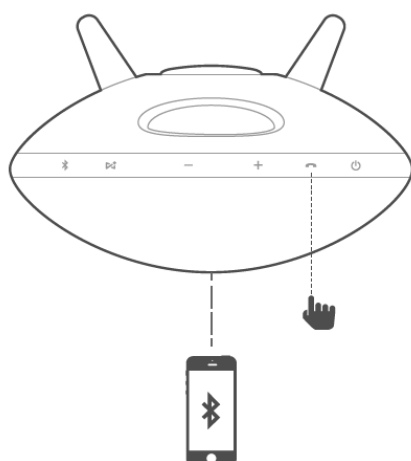

Voice assistant

Tap “Voice Assistant” in the HK Connect app, to make the “” button the activation key of Siri or Google Now on your phone.

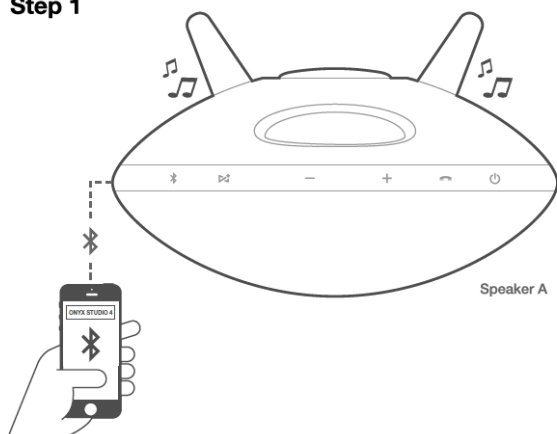

Press the  button on the speaker to activate Siri or Google Now on your phone. Please make sure Siri or Google Now is enabled on your phone.

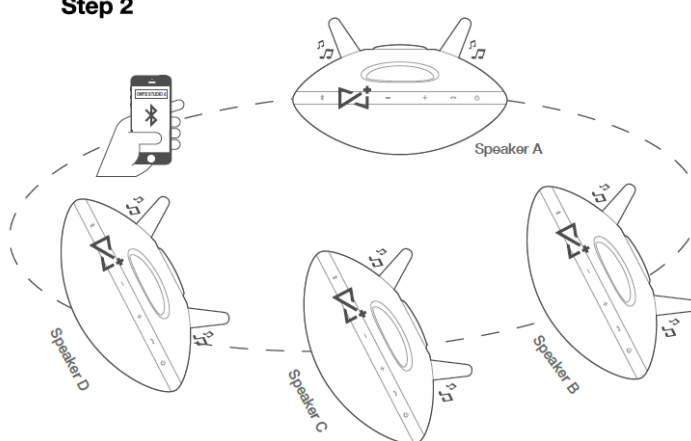

HK Connect

Wirelessly links 100+ HK Connect+ compatible speakers together

Step 1

Step 2

Play music on one of your HK speakers and then press the HK Connect+ button on all desired speakers to start pairing. All the other HK speakers will play the same music from the music source.

Download the HK Connect app for the following features: stereo setup, firmware upgrade, and device renaming

LED behavior

	 OFF	 Blinking	 ON
	Speaker is OFF	White - Charging	Dim - Stand by
		Red - Low battery	Bright - ON
	Not connected	Paring	Connected
