Hatch HBR5003PYFBA Portable Sound Machine

Launch Date: May 19, 2023

Price: \$89.99

Introduction

The Hatch HBR5003PYFBA Portable Sound Machine is a unique gadget that is meant to help you sleep better by giving you a variety of relaxing sounds and settings that you can change. Its small size and light weight make it perfect for traveling, so users can enjoy a relaxing atmosphere anywhere. It has 10 sounds already loaded, such as white noise, ocean waves, and heartbeat, so it can help everyone, from babies to adults, relax. With a recharging battery that lasts a long time, this sound machine can be used for up to 15 hours straight. The machine is easy to use because it has buttons, and it comes with a soft night light that you can change. It's great for parents because it's long-lasting, doesn't get messy, and has a helpful clip. This product is both useful and good for the environment because it comes in eco-friendly designs and is made from recycled materials. Nobody needs Wi-Fi or an app to use the Hatch Portable Sound Machine. It lets people dream and rest anywhere.

- **Price:** Varies by retailer

- **Part Number:** HBR5003PYFBA
- **Item Weight:** 7.8 ounces
- **Product Dimensions:** 6 x 2.76 x 2.17 inches
- **Country of Origin:** China
- **Item Model Number:** HBR5003PYFBA
- **Batteries:** 1 Lithium Ion battery required (included)
- **Color:** Putty
- **Material:** Acrylonitrile Butadiene Styrene (ABS)
- **Power Source:** Battery Powered
- **Item Package Quantity:** 1
- **Batteries Included:** Yes
- **Batteries Required:** Yes
- **Battery Cell Type:** Lithium Ion
- **Manufacturer:** Hatch
- **Warranty Description:** 1-Year Manufacturer Warranty

Package Includes

- 1 x **Hatch HBR5003PYFBA Portable Sound Machine**
- 1 x USB-C charging cable
- 1 x Quick-start guide

Features

1. Multiple Sound Settings

The Hatch Portable Sound Machine offers a selection of 10 soothing sounds designed to help babies, children, and adults relax and sleep more easily. These sounds include:

- **White Noise:** A consistent sound that mimics the environment inside the womb, providing comfort to newborns.
- **Hush:** A gentle sound that is calming and relaxing for sleep.
- **Heartbeat:** Mimics the sound of a heartbeat, offering comfort for infants by recreating the sounds they hear before birth.
- **Ocean Waves:** Soothing natural sounds that create a peaceful, beach-like atmosphere.
- **Wind, Rain, and More:** These nature-inspired sounds help block out unwanted noise and create a peaceful sleeping environment.

2. Compact and Portable Design

This sound machine is designed to be small, lightweight, and incredibly portable, making it ideal for travel. Whether you're at home or on the go, it easily fits into a diaper bag, purse, or backpack. It's a great option for parents who need a sound machine that can travel wherever they go.

3. Customizable Settings

With the Hatch Sleep app, you can customize the sound settings and adjust both the volume and timer to your preference. Set the machine to run for a specific amount of time or let it play continuously. This control over sound duration and intensity allows users to tailor their sleep environment to their needs.

4. **Long Battery Life**

One of the standout features is its impressive battery life. The Hatch HBR5003PYFBA can last up to 8 hours on a single charge, ensuring that it will continue running through the night without interruptions. Perfect for long naps or nighttime use, it can also be used while charging, which is useful for extended travel.

5. **Easy Control**

The machine is equipped with three physical buttons on the body, which allow quick and intuitive control over the device. Adjust the volume, toggle through sounds, or turn the device on and off effortlessly. For added convenience, users can also manage these functions remotely via the Hatch Sleep app.

6. **Night Light**

This device includes a soft, customizable night light feature that can be adjusted to different brightness levels, making it perfect for those who need a bit of light in the room at night. The glow is gentle enough not to disturb sleep, while providing a reassuring ambiance, especially for children.

7. **Rest Go – Sleep Sounds for Babies on the Go**

Designed with parents in mind, this feature ensures that the device offers a range of baby-friendly sleep sounds on the go, freeing parents from being “nap-trapped.” The sound machine is specifically designed to accompany you, ensuring that your baby gets a good rest, wherever you may be.

8. **Sleep Sounds on the Go**

The Hatch sound machine comes preloaded with 10 soothing sounds that are perfect for travel. These sounds can be easily accessed without the need for Wi-Fi, Bluetooth, or app connectivity, allowing for quick and hassle-free operation. The sounds include essentials like White Noise, Hush, and Heartbeat, among others.

9. **Designed for Parents**

Understanding the needs of parents, Hatch has incorporated an easy-to-use control panel with three quick-access buttons. These buttons allow parents to change sounds or adjust the settings even when they're in a hurry. A handy ring is also attached to the machine, making it easy to clip onto strollers, diaper bags, or cribs. The device is built to be both drop-proof and drool-friendly, ensuring it stands up to wear and tear.

10. **Dream Anywhere**

One of the key advantages of this device is that it requires no app, Wi-Fi, or Bluetooth connection to operate. You can simply grab the machine, turn it on, and it works instantly. The built-in rechargeable battery lasts up to an impressive 15 hours and continues to play even while charging. The device comes with a matching USB-C charging cable for convenient use.

11. **Earth-Friendly Hues**

The Hatch HBR5003PYFBA comes in a variety of stylish, earth-friendly hues, which are made using recycled materials. This gives parents a choice of colors such as **Mint**, **Honey**, **Peach**, **Putty**, and **Slate**, making the device not only functional but also visually appealing.

Usage

1. **Charging:** Use the provided USB-C cable to charge the device fully before the first use.
2. **Turning On:** Press the power button on the top of the device. It will start playing the last used sound setting.
3. **Sound Selection:** Use the app to choose from a variety of sounds or toggle through options using the physical buttons.
4. **Volume and Timer:** Adjust the volume directly from the device or app. Set timers for automatic shutoff after a certain period.
5. **App Connectivity:** Pair the device with the Hatch Sleep app for additional customization features and settings.

Care and Maintenance

- **Cleaning:** Wipe the exterior with a soft, damp cloth. Avoid using harsh cleaning agents.
- **Storage:** Store the sound machine in a cool, dry place when not in use for extended periods.
- **Battery Maintenance:** Charge the battery fully when the low battery indicator appears. Avoid leaving the device on charge continuously to prolong battery life.

Troubleshooting

Problem	Possible Cause	Solution
The device won't turn on	Battery is depleted	Charge the device using the provided USB-C cable.
No sound output	Volume set too low	Increase the volume using the physical buttons.
The device won't charge	Faulty cable or port	Try a different USB-C cable or check the charging port.
Sound stops unexpectedly	Low battery	Recharge the device fully before use.
The night light not working	Settings misconfigured	Check the night light settings or reset the device.
The device not connecting to the app	Bluetooth is turned off or pairing failed	Ensure Bluetooth is on and try reconnecting.
Sound distorted	The device too close to other electronics	Move the device away from other electronics.

Pros and Cons

Pros	Cons
Lightweight and portable	Slightly higher price compared to rivals
Variety of soothing sounds	Requires long press to turn on
Eco-friendly materials	Takes time to cycle through sounds
Easy to use	Initial volume may be too low
