Manufacturer's warranty

- Provided that the user observes the rules of operation, and takes into account the warnings outlined in this user manual, the device is safe to use and does not cause harm to the environment and humans, as well as is suitable for operation.
- **The device has a warranty period:** 24 months from the date of purchase excluding the time of repair (subject to the rules of operation).
- The right to warranty is granted by filling in the information on the attached warranty card. For more information about the product, as well as any questions or suggestions, please contact us at the address below.
- The warranty is provided in addition to the rights granted under local consumer laws. Its terms may vary in different countries.
- Please read the full warranty information to learn about your consumer rights and additional remedies provided under this product warranty.

Instructions for use

- The product cannot be opened or modified
- Do not disassemble the device or attempt to service it
- If the product is in an environment whose temperature exceeds the permissible range, turn off the device and wait until the operating temperature stabilizes within the specified range
- Do not allow liquid to fall on the product
- Violation of the operating rules may lead to the loss of the ability to operate the equipment and the loss of the

warranty.

- If the product doesn't work properly, contact HATOR support: hator.gg/feedback/
- Our support team from experienced consultants and service engineers is ready to help our customers.
- The warranty is in addition to the rights granted under local consumer laws. Its conditions may differ depending on the country.
- Some forms of exercising consumer rights when ensuring product warranty obligations can be performed through retail outlets (including online stores), which, in turn, are fully responsible for compliance with consumer rights protection laws.
- The rules for disposal of this product differ from the rules for disposing of household waste. Unlike household waste, the product should be handed over to the appropriate point of reception of electrical and electronic equipment for processing.
- Transfer the device to a specialized waste collection and disposal center or contact the seller from whom the device was purchased. Competent people will send this device to environmentally safe recycling.
- For improper disposal of waste, fines are issued under the legislation in force in the country where the device is sold.
- **Supplier / Importer in EU:** HATOR Gaming B.V., Address: Prins Hendrikkade 21-E, 1012TL, Amsterdam, The Netherlands, sales@hator.gg
- **Warranty period:** 24 months
