HAY

HAY Common Cord Set

Specifications

- Fitting Type: LED E27 (EU) or E26 (US)
- Power: 15W
- Colour Temperature: Warm white

Product Usage Instructions

Installation

1. Before installing the product, ensure that the power supply to the circuit is turned OFF.
2. Contact a qualified electrician if required by local regulations for electrical installation.
3. Choose suitable screws for wall/ceiling fixation. Consult a local specialized dealer for advice.
4. Wall or ceiling fixing/hanging must be done by a qualified person to avoid injury or damage.

North American Customers Safety Instructions

1. The product has a polarized plug for safety. Ensure correct insertion into a polarized outlet.
2. If the plug does not fit, do not alter it; contact a qualified electrician.
3. Avoid using an extension cord unless the plug fits securely.

Additional Information

FAQ

Q: What type of bulb fitting does this product have?

A: This product is fitted with an E27 (EU) or E26 (US) bulb fitting, and HAY recommends using it with an LED bulb for optimal performance.

GENERAL INFORMATION

TECHNICAL DATA

This product is fitted with an E27 (EU) or E26 (US) bulb fitting. HAY recommends using this product with a LED bulb.

FITTING TYPE | LED E27 (EU) or E26 (US) POWER (W) | 15W

COLOUR TEMPERATURE | Warm white

HAY will not accept any responsibility for any accidents, injuries or damages that occur due to the use of incorrect bulbs.

ATTENTION

Ensure that the power supply to the circuit has clearly been turned OFF before installing the product. In some countries, electrical installation must be carried out by authorised electricians/contractors; please check with your local authority for guidance.

As wall/ceiling materials vary, screws for wall/ceiling fixation are not included. For advice on suitable screw system for your wall/ceiling, contact your local specialized dealer. Wall or ceiling fixing/hanging must be carried out by a qualified person, since wrong fixation may cause injury or damage.

The product must not be modified in any way. HAY accepts no responsibility for any products that have been modified or tampered with. If the external flexible cable or cord of this luminaire is damaged, it should be exclusively replaced by a qualified electrician in order to avoid an electrical hazard. This lamp is designed for indoor use only.

ONLY FOR NORTH AMERICAN CUSTOMERS

IMPORTANT SAFETY INSTRUCTIONS

This product has a polarised plug (one blade is wider than the other) as a feature to reduce the risk of electric shock. This plug can only be inserted in a polarised outlet one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless the plug can be fully inserted. Do not alter the plug.

CARE & MAINTENANCE

The product can be cleaned with a soft damp cloth and mild detergent, or a dry microfibre cloth. Do not use alcohol or any other solvents to clean the product and avoid using abrasive or rough sponges. Ensure that the power supply has been turned OFF before cleaning the product.

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your lighting.
