Hellberg Xstream Multi-Point

The Hellberg Xstream Multi-Point is a wireless headset that can be connected to multiple devices simultaneously. It has Bluetooth connectivity and can be charged using a USB cable.

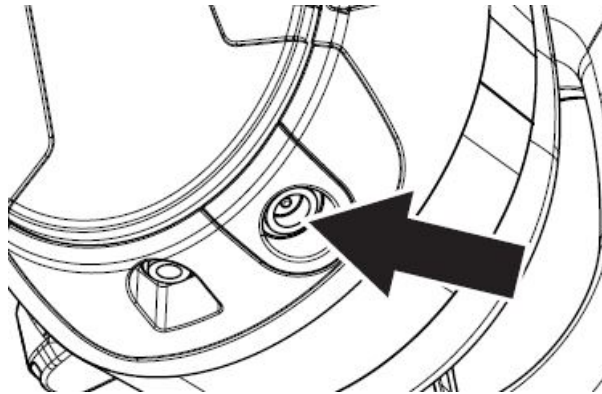

Product Usage Instructions

1. **Charging:** Charge the headset prior to first use. Plug the charging cable into the headset and plug the USB connector into a USB power source.
2. **Power On/Off:** To turn on the headset, hold down the button until the LED flashes BLUE. The headset will automatically connect to the paired phone after the first pairing. To turn off the headset, press and hold the button for 4 seconds.
3. **Pairing:** To pair the headset with another device, press and hold the button for 2 seconds. Keep holding down the buttons until the LED flashes RED/BLUE. Note that the first paired unit will be temporarily disconnected during pairing with the second unit. Reactivate the connection in phone number 1's BT menu.
4. **Adjust Volume/Next/Previous Track:** Press the button to adjust the volume. Press and hold for 2 seconds to change tracks.
5. **Play/Pause Music/Answer Phone Calls:** Press the button to play/pause music. Press to answer/hang-up a phone call.
6. **Active Listening:** Press and hold for 2 seconds to switch the function On/Off.
