USER'S MANUAL

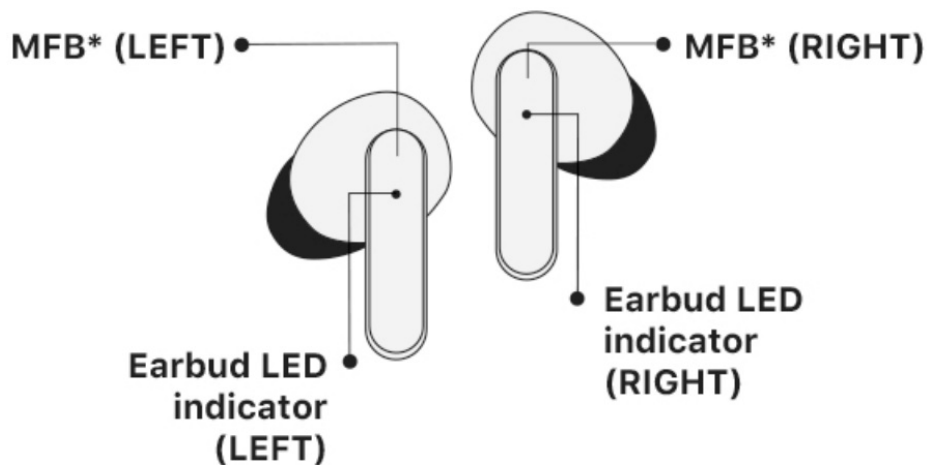

TRUE WIRELESS STEREO EARBUDS

CHARGING CASE

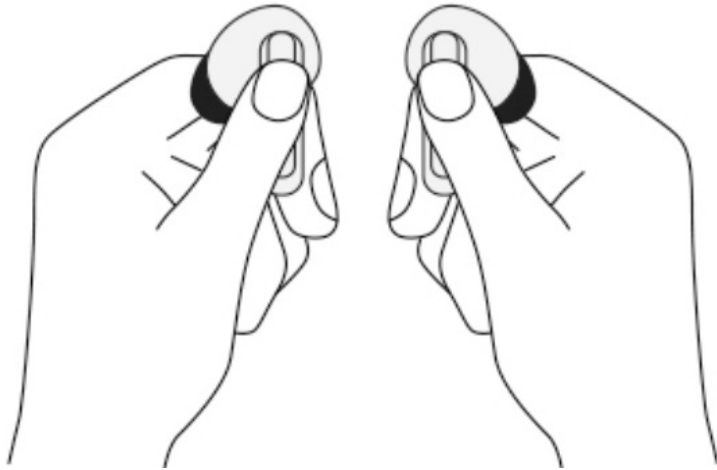

Active the earbuds from shipping & warehousing mode to normal mode

1. Remove earbuds from package, remove the blue color stickers on earbuds;
2. Put earbuds in charging case to active the earbuds changing from warehousing mode changing to using mode.

Power ON

Take the earbuds from charging case, the earbuds will turn on automatically. In the OFF state, press and hold the 'touch area' of the earbuds for 3 seconds, the earbuds will turn ON, and you can hear the prompt 'power ON'.

Power OFF

There are 3 ways to turn your earbuds OFF 1. Place the earbuds into the charging case, and they will turn OFF automatically

1. Hold your finger on the touch area of the earbud for 4 seconds
2. Turn OFF bluetooth on your device, and the earbuds will turn OFF shortly.

BLUETOOTH MATCHING

1. Place earbuds in charging case, and make sure both earbud LEDs turn white.
2. Remove earbuds from charging case. This will automatically put them in pairing mode. (**Note:** only the left bud will flash white and green.)
3. Open your list of available Bluetooth devices and select "HELLO KITTY TWS". Earbud LEDs will turn off when connected. Be sure to select "Pair" or "OK" when you see the Bluetooth pairing request.
4. Once the earbuds have been successfully paired with your device for the first time, they will automatically connect there after when removed from the case within the vicinity of the device.

Voice assistant

Touch the left or right earbuds two times gently.

Call

1. **Answer a call:** Touch the left or right earbuds once gently
2. **Hanging up:** Touch the left or right earbuds twice gently
3. **Reject a call:** Press and hold the left or right earbuds for 2 seconds

Listen to the music

1. **Play/Pause:** Touch the left or right earbuds twice gently
2. **Previous:** Press and hold the touch area of the right earbuds for 2 seconds
3. **Volume+:** Touch the right earbuds once gently
4. **Volume-:** Touch the left earbuds once gently

Charge

Earbuds: Put the earbuds into the charging case and the earbuds will display a white light while charging.

Charging case: plug the small end of the USB cable into the USB-C port of the charging case. Plug the other end into a USB wall charger or computer (DC 5V) that is powered on.
