Important - Please read these instructions fully before starting assembly.

If you need help or have damaged or missing parts, call the Customer Helpline: 01709 534123 Please turn to back page for important information when contacting Customer Helpline.

Important – Please read these instructions fully before starting assembly

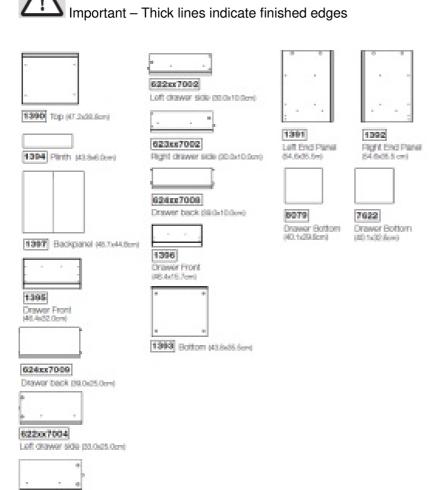

- Check you have all the components and tools listed on pages 2 and 3.
- Remove all fittings from the plastic bags and seperate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- Do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.
- We do not recommend the use of power drill/drivers for inserting screws, as this could damage the unit. Only
 use hand screwdrivers.
- Do Not dispose of packaging until assembly complete.
- Dispose of all packaging carefully and responsibly when assembly complete.

Care and maintenance

- To protect the furniture, position the furniture out of direct sunlight and away from direct heat sources such as radiators and fires.
- Do not place the furniture in excessively dry and humid conditions.
- From time to time check that there are no loose screws on this unit.

- Always lift furniture when moving it (do not drag) otherwise the joints may be damaged.
- Do not place hot or cold objects on the surface, always use protective mats to avoid marking the furniture.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.
- Clean spills up immediately
- · Dust surfaces with a soft, dry, lint free cloth.
- More stubborn marks can be removed using a damp (not wet) cloth. Wipe the surface dry immediately using a soft lint free cloth.
- Do not use detergents, abrasive cleaning products or cleaning products that contain ammonia, solvents or silicone as these may damage the surface finish.
