Technical parameters

Model	EU-01
Basic Information	
Product series	WiFi Smart plug
Type	Smart switch module
Voltage	100-240VAC 50/60Hz
Max.Load	16A/3520W
Use method	Plug and play
MCU	BK7132t
Certification	CE/ROHS
Standby power consumption	0.5W/Hour
Appearance	
Color	white
Dimension	50*50*80mm
Gross weight	93g
Casing material	PC+ABS
Features	
Functions	Remote control, smart timing/delay/countdown, status feedback,power-off memory, voice control, sharing function, smart scene control, manual switch, power statistics (can count: current, voltage, power, power consumption)
voice control	
Operating systems	Android & ios
Antenna	PCB board with antenna
Working Enviroment	
Applicable place	Indoor
Working temperature	-20°C – 50°C
Working humidity	5%-95% RH non-condensing
Working height	Less than 2000m
