- Visit the Firestop Selector using the QR code
- Or direct link : <https://firestop.hilti.com/>

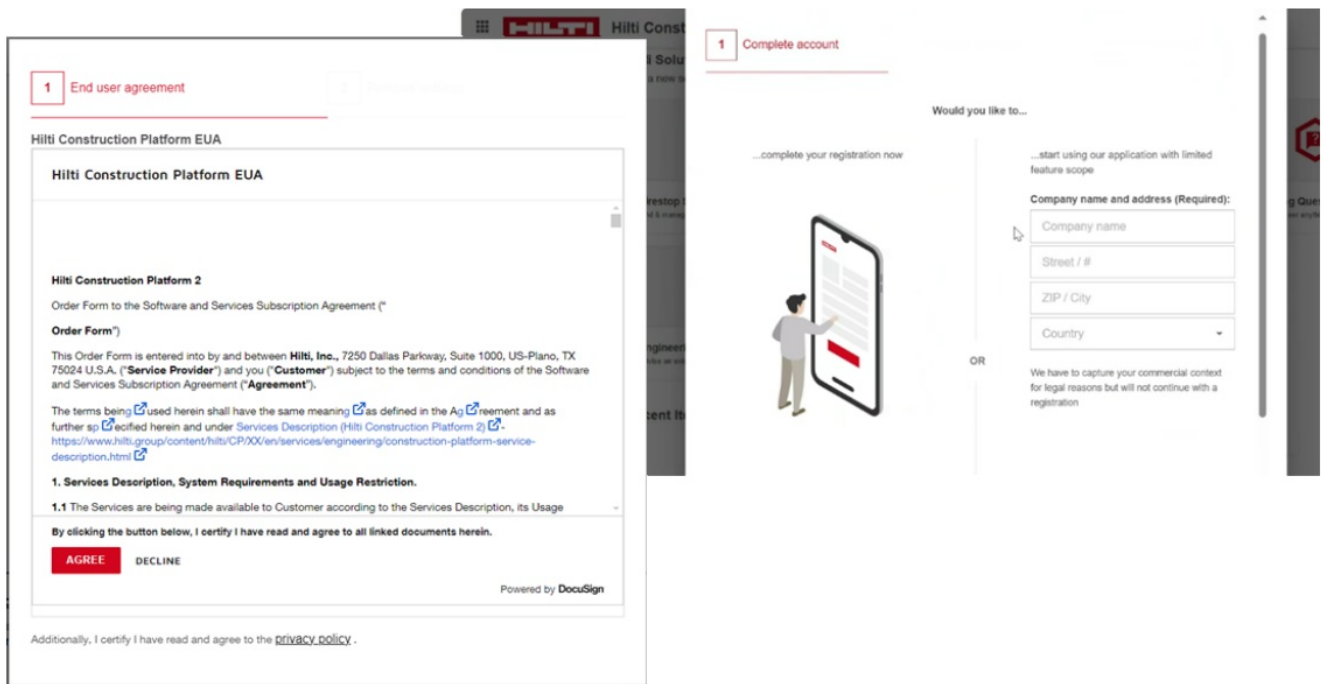

- Select your country and language (a pop-up should appear)
-

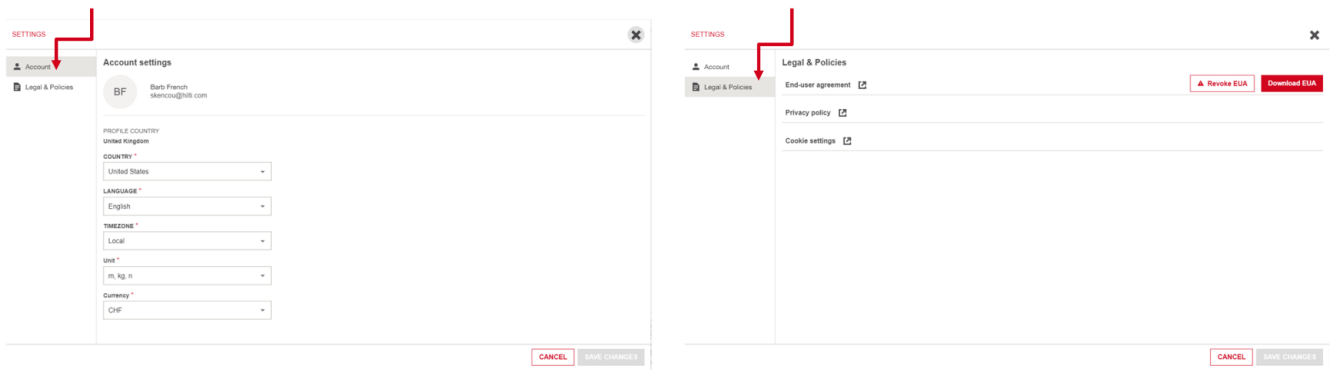

The screenshot shows the Hilti Firestop Selector website. At the top, the Hilti logo is on the left and 'CONTACT' is on the right. The main content area has two columns: 'Log in' and 'Register'. The 'Log in' column has fields for 'E-mail address' and 'Password', a 'LOG IN' button, and a link for 'Forgot password?'. The 'Register' column has a 'GET STARTED NOW' button. A 'SELECT COUNTRY AND LANGUAGE' pop-up is overlaid on the bottom left. It contains the text: 'The Firestop selector provides support for the following countries and languages. Kindly choose your required country and language.' Below this are two dropdown menus: 'Country' (set to 'United States') and 'Language' (set to 'English'). A 'Continue' button is at the bottom right of the pop-up.

On your first visit, you will be asked to accept an End-user agreement (EUA) for your profile country

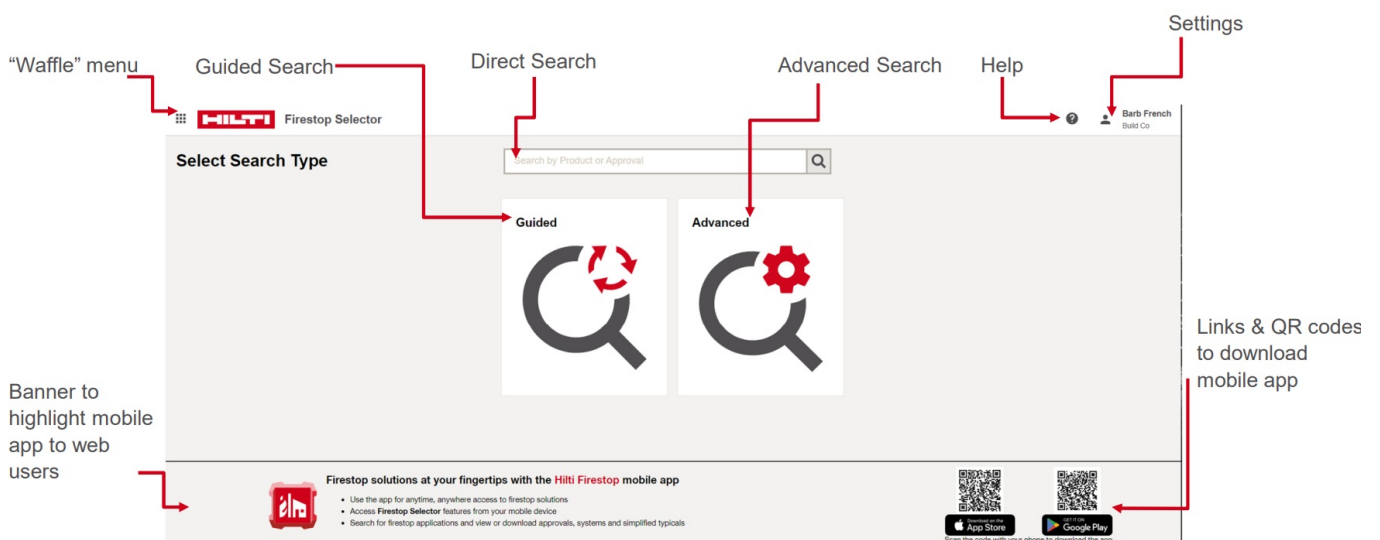

- When you first visit the HCP2 Dashboard, you may be asked to provide additional information to confirm your profile country (to then provide you the applicable EUA)
