**Hive Pet Friendly
Motion Sensor
Quick Start Guide**

Setting up your Hive Pet-Friendly Motion Sensor

1. Download the Hive app to your smartphone or tablet to get started

2. Open the Hive app and log in with your existing Hive account or create a new account
3. Tap the menu button , select 'Install Devices', then
'Install Hive Devices' or 'Install Hive Homeshield' if you want to install as part of your smart alarm system.
Then, follow the instructions on the app.
