KEY BOX

1. Turn all three numbers onto the combination 0-0-0.
2. Open the box and slide the RESET switch on the back to the combination lock on the position B (Figure 1).
3. Set your desired combination on the lock.
4. Now push the RESET switch to position A (Figure 2). IMPORTANT: Write down your number combination!
The number combination is stored now. To change the combination repeat steps 1-4.
