Hobolite AVANT 110008US Portable Continuous LED Light

Product Information

The Hobolite Avant is a portable and continuous LED light that weighs less than three pounds and packs 100W of power. It is designed to provide professional lighting on-the-go, wherever and whenever you need it. The light output ranges from 2700K to 6500K with an excellent CRI. You can further diffuse or focus the output by using accessory attachments. The Hobolite Avant Creator Kit includes various attachments such as barn doors, interchangeable lens accessories, softbox attachment, active cooling, bright high-contrast LCD screen, knurled control knobs, mobile app control, and a super portable package with a battery having a V-mount quick-release.

Operating Time Using 95WH V-Mount DC Battery

Brightness level	100%	75%	50%	25%

Additional Accessories

- Avant Softbox SKU 142002
- Avant Bowen’s Mount Adapter SKU 162001
- Desktop Tripod SKU 152001
- Avant Adjustable Lens SKU 141003
- V-Mount Ballhead Tripod Adapter SKU 161002
- Avant Lantern SKU 142007

Product Usage Instructions

To use the Hobolite Avant Portable Continuous LED Light, follow these steps:

1. Remove the Hobolite Avant from the packaging.
2. Attach the V-mount DC battery to the light by using the V-mount quick-release.
3. Turn on the light by using the knurled control knobs or the mobile app control.
4. Adjust the brightness level and color temperature of the light by using the knurled control knobs or the mobile app control.
5. Attach the barn doors, interchangeable lens accessories, or softbox attachment to diffuse or focus the output further, as needed.
6. Use the Hobolite Avant Portable Continuous LED Light for your professional lighting needs.

The Hobolite Avant is a continuous light that is as portable as it is powerful.

Weighing in under three pounds and packing 100W of power, it provides professional lighting where and when you need it. The light output ranges from 2700K – 6500K with excellent CRI. Accessory attachments can diffuse or focus the output further.

Hobolite AVANT Creator Kit

- Superior product performance – 100W of power and light output range from 2700K – 6500K
- Classic, stylish and award-winning design –2022 IF Design Award & Red Dot Award with environmentally-friendly faux-leather detailing
- Optimized and designed for portability to increase the ease of transport, set up and overall on-location mobility
- Compact, lightweight, and made from high-quality materials

Warranty Terms

Hobolite provides a one-year warranty period for the original buyer of the product. For the detailed warranty scope, please log in to our website: www.hobolite.com. Please note that the complete supplier information is on the invoice, including the purchase date and product serial number, which will be needed when making a claim against the warranty.

WARRANTY TERMS

We provide a one-year warranty period for the original buyer of the product. For the detailed warranty scope, please log in to our website: www.hobolite.com.

Important notes:

- Please retain your original purchase invoice and warranty card and ensure that the complete supplier information is on the invoice, including the purchase date and product serial number, which will be needed when making a claim against the warranty.

The warranty does not cover:

- Damage caused by improper use, false wiring, incompatible, poor quality or mis-adjusted external devices.
- Damage to the appearance of the product from mishandling or abuse
- Exposure to rain or water.
- Damage caused by transportation. Please contact your dealer to issue a claim.

The warranty will be invalid if:

- The product serial number has been torn off or can't be identified.
- The product has been repaired or modified by unauthorized persons.
