## Profile Drawing

### Important Note 1

You do not need to drill any holes, the illustration below demonstrate measurements of the lock nut screws.

### Important Note 2

Please ensure the tap hoses are attached to the correct positions as marked below.

**F- Filter Water**  
**C- Cold Water**  
**H- Hot Water**

**Step: 1**

Attach the lock bolt to the tap

**Step: 2**

Attach the filter water hose

**Step: 3**

Attach the Hot and Cold hoses

**Step: 4**

Insert the tap with the tubes attached through the hole and attach the rubber gasket, metal gasket and lock nut to the lock bolt.

**Step: 5**

Lock the filter water pipe by hand tightening plastic adapter

Attach the fitting to the pipe if it's  
not already attached

**Step: 6**

Attach the tube from the filtration system / hard water to the push fit

**Step: 7**

Connect the Hot & Cold Hoses to the supply water

**Step: 8**

Test the your Hommix Verona to ensure it is dispensing water

### Important Note 3

Please ensure any sand, silt, rubbles or anything that may block the valve cartridge and aerator is removed and cleaned before fixing the tap. During construction, the water pipes often end up with these, please ensure it is cleaned before connecting the hoses to the hot and cold.

### Information 1

## Information 2

## Taking care of your tap

Your Hommix Verona 3-Way Tap requires minimal care and maintenance but here are a few tips:

**DON'Ts**

DON'T use cleaning products, chemicals or any other types of substances to clean the tap

DON'T use organic solvents or acidic cleaners, lime-scale removers, household vinegar or cleaners containing acetic acid for cleaning

DON'T use any sort of brushes or abrasive sponges and scrubs

## DOs

DO dry the tap after washing up with a dry soft cloth (we advise this for cleaning your sink too)

DO use a soft damp cloth followed by a dry soft cloth to clean if the tap requires cleaning

That's all! We did say minimal care and maintenance. If you have any questions or need help with installation, please do not hesitate to contact us.
