Please contact your local authorised Honeywell representative for product warranty information.

Approval Listings

EN50131-2-4:2008, Security Grade 3, Environmental Class II. Suitable for connection to an EN 60950 Class II Limited Power Source.

Note: In EN 50131-2-4 compliant installations, mount the sensor at 2.3m, do not use only the right side corner mounting holes, enable look down, set the microwave sensitivity to maximum and lock the sensor housing with the cover lock (see "[EN]" where noted in Steps 1-4).

IMPORTANT: The sensor should be tested at least once each year.
