HOOFUN

Hoofun 3D-Illusion stitch hello Lamp

INTRODUCTION

For children, Stitch enthusiasts, and anybody looking for a playful touch for their space, the Hoofun 3D-Illusion Stitch Hello Lamp is a wonderful and reasonably priced lighting option. This adorable night light, which retails for just **\$11.99**, was released by Hoofun, a respectable company well-known for its inventive 3D optical illusion lights and whimsical décor. Using a polished acrylic plate lit by energy-efficient LEDs, the Stitch lamp produces a captivating 3D visual effect that appeals to both adults and children. It is ideal for bedrooms, nurseries, or themed parties because it has 16 colors and 4 flash settings and is simple to operate with a touch button or remote. For added convenience, users can power it using three AA batteries or a USB cable. The Hoofun 3D Stitch Lamp is a perfect gift for birthdays, holidays, or Stitch memorabilia enthusiasts because of its small size and safe, gentle lighting.

- **USB Powered:** For continuous use, a USB cable can be used to power the device.

USB Powered? Batteries Powered?

We have both

USB Cable
included

Battery Operated
3*AA batteries not included

- **Battery Option:** 3×AA batteries can also be used for portability (batteries not included).
- **Energy-Efficient LEDs:** This lamp's low power consumption makes it both economical and environmentally beneficial.
- **Safe for Children:** Produces gentle, aesthetically pleasing light that is suitable for kids' rooms.
- **Stylish Design:** The popular "Stitch" cartoon character is featured in this stylish design, making it ideal for fans of all ages.
- **Compact and Lightweight:** Measuring just 0.23 kg, it is portable.
- **Tabletop Mounting:** Excellent for nightstands, workstations, and shelves, this product is made for stable tabletop use.
- **Fun Gift:** Ideal for boys, girls, and Stitch enthusiasts as Christmas presents or for birthdays.
- **Complete Kit:** Base, acrylic plate, remote control, USB cable, and user manual are all included in the complete kit.
- **Proven Quality:** Satisfied customers who trust a reputable brand for quality and

longevity.

SETUP GUIDE

- **Open the Box With Caution:** Check that all the parts are included by opening the package.
- **Peel Film:** Take off the acrylic plate's protective covering on both sides.
- **Lamp Assembly:** Slide the acrylic plate firmly into the lamp base's groove.
- **Option for Power Source:** 3×AA batteries (not provided) or a USB cable connection.
- **Connect USB:** If utilizing USB, insert the cord into a power source that is compatible.
- **Put Batteries In:** If you're using batteries, make sure to open the base compartment and put them in properly.
- **Power On:** To turn on the lamp, use the touch button or use the remote control.
- **Manual Color Change:** To manually switch between basic colors, tap the base.
- **Remote Sync:** To utilize the remote control functions, aim the remote at the lamp base.
- **Choose Color:** Choose from 16 different colors with the remote control.
- **Flash Modes:** Choose from Flash, Strobe, Fade, or Smooth lighting using the remote control.
- **Brightness Adjustment:** Use the remote control to change the brightness if it is supported.

- **Location:** Set the lamp in the preferred spot on a level, sturdy surface.
- **Use of the Room:** Place the lamp in your office, living room, gaming area, or bedroom.

CARE & MAINTENANCE

- **Turn Off First:** Prior to cleaning, always turn off the lamp.
- **Dust Frequently:** To prevent scratches, wipe the acrylic plate down with a gentle microfiber cloth.
- **Avoid Water:** The acrylic plate or base should not be immediately cleaned with water or liquid cleansers.
- **No Harsh Chemicals:** Steer clear of chemical sprays since they may harm the surface of the acrylic.
- **Take Care When Handling the Plate:** Avoid bending or pressing the acrylic plate.
- **Battery Check:** To avoid leaks, take out the batteries if the lamp has been left unattended for an extended length of time.

- **Cable Care:** Take care not to bend the USB cable too much.
- **Static Control:** To lessen the accumulation of static dust, wipe the plate from time to time.
- **Heat Protection:** Keep the lamp out of direct sunlight and heat sources.
- **Stable Positioning:** To avoid unintentional falls, position the lamp on a stable surface.
- **Safety for Children:** Make sure small children don't handle the lamp violently.
- **Remote Care:** Change the batteries when necessary and keep the remote in a secure location.
- **Component Check:** Check the battery connections and USB port for corrosion and dust on a regular basis.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Lamp not turning on	USB not connected or batteries not installed	Insert batteries or connect USB cable properly
Remote not working	Battery depleted or improperly installed	Replace or correctly position remote battery
Lamp stuck on one color	Remote malfunction or mode stuck	Reset lamp, check remote, re-select mode
Dull lighting	Low battery or poor USB connection	Replace batteries or use a stronger USB adapter
Colors not changing smoothly	Dirty touch surface or faulty remote	Clean acrylic plate or reset lamp
Flickering light	Loose USB connection or low batteries	Check USB connection or replace batteries
Touch button unresponsive	Surface dirty or circuit issue	Clean button area or reset the lamp

Issue	Possible Cause	Solution
3D effect not visible	Protective film still on acrylic	Remove protective film carefully
Lamp powers off randomly	Weak power source or battery issue	Secure USB or replace batteries
USB cable not charging	Damaged cable or adapter	Use new USB cable or different adapter

PROS & CONS

PROS

- Stunning 3D visual illusion with LED lighting
- 16 vibrant colors and 4 dynamic lighting modes
- USB or battery-powered for flexible use
- Safe, energy-efficient, and cool-to-touch
- Perfect gift for kids and Stitch fans

CONS

- Acrylic plate is flat, not a true 3D object
- Batteries not included in the package
- USB adapter not included
- Protective film must be removed before first use
- Remote requires line-of-sight to function optimally

WARRANTY

The Hoofun 3D-Illusion Stitch Hello Lamp comes with a **1-year** limited warranty. This warranty covers any manufacturer defects in materials or workmanship under normal use. If your lamp exhibits faults such as non-functioning LEDs, defective remote control, or power failure, Hoofun will offer a replacement or repair during the warranty period. Please note the warranty does not cover damage from misuse, unauthorized repairs, or

accidental breakage. For warranty claims, keep your proof of purchase and contact Hoofun's customer service team. The brand is known for excellent post-sale support, ensuring a satisfactory resolution for customers.
