4. Insert disc

5. Start to play

INTRODUCTION TO BUTTON FUNCTIONS

	Stop / Long press to power on/off
	Next song / long press for fast forward
	Play / pause
	Last song / long press for fast reverse
	Volume up
	Volume down
	Short press to select playback modes, long press for locking or unlocking
	EQ sound mode / long press for DIR; MP3 disc music directory selection

Caution

Excessive volume can damage hearing
To avoid hurting your ears, avoid excessive use.

Common problems analysis

1. Cannot power on (unable to start): check whether the power supply is correctly connected to the DC power interface, or whether the battery is correctly assembled according to the label of the battery compartment.
2. Cannot read disc: discs cannot be read with serious scratches, cracks, fingerprints, or dirt. Please replace it with a newer or clean one. (note if the disc is in a acceptable format)
3. No sound: check whether the earphone is correctly inserted into the headphone connector.
